PUPILS WILL HAVE HOLIDAY HERE FRIDAY; 2 WORKSHOPS

While the pupils have a holiday Friday, Gettysburg public school teachers will be in school at workshop sessions talking over "important matters involving our schools." The teachers will be divided into elementary and high school sections.

School directors on Monday evening were invited to attend the panel discussions in which teachers and parents will participate.

Beginning at 9:30 a.m., a teacher panel discussion by grade school teachers on the subject, "We Look At Our Elementary Schools." That meeting will be at the Keefeauver School. At the same time in the library at the high school there will be a speaker and a teacher panel discussion of "mandated changes in the high school curriculum and their effects on the total program."

To Lunch At High School
All of the teachers will lunch at 11:45 a.m. in the high school cafeteria.

Parent-teacher panels at 1 p.m. will take a look at "our elementary and our high schools."

The panel members for the morning discussions by the grade school teachers will include: Mrs. Marian Sloat on the language arts, Mrs. Relda Tilberg on science, Mrs. Anne Stahl on arithmetic, Ronald Miller on social studies, Mrs. Barbara Strickhouser on music and Richard Krick on art. The Rev. Robert A. MacAskill, president of the Gettysburg PTA, will be coordinator for the elementary parent-teacher panel in the afternoon at Keefeauver School. Others taking part will be Mrs. Clarence Bartholomew on curriculum, Mrs. Stanley Hull on parents' responsibility for child's preparation, Mrs. Frank Bowersox on homework parents, Sterling Musselman on the school lunch and buildings, Mrs. Daniel E. Teeter on grouping and special education, and Mrs. S. Blaine Miller on report cards and promotion policies.

High School Schedule
High School Principal G. W. Leffever will be chairman for the meeting of the high school teachers in the morning when Dr. Richard A. Gibbons, director of the Bureau of Curriculum in the state Department of Public Instruction, (Continued On Page 3)

Wisler Presented Incentive Award

J. L. "Piney" Wisler, maintenance supervisor for the Gettysburg National Park, has been presented a \$25 award by the Incentive Awards Committee of the National Park Service for his suggestion on loading hand-operated power mowers onto vehicles.

The mowers are too heavy to lift on the trucks and they crawl up planks on their own power to the truck bed. When the planks are smooth or wet the mowers slip and slide back.

Wisler conceived the idea of painting the boards and applying an abrasive before the paint dries. The mowers now easily crawl the planks.

Report FBI Has Important Evidence In Hate Bombings At Clinton, Tenn., Atlanta

WASHINGTON (AP)—The FBI, engaged in an all-out effort to help local authorities solve three recent hate bombings, was reported today to be working on possibly important evidence from one of the integrated high school at Clinton, Tenn.

Officials, as usual, declined to discuss the matter, but it was learned the evidence is being processed in the FBI laboratories here for Clinton police. Its nature remains undisclosed.

Seek FBI Analysis
Meanwhile, the Police Department at Atlanta, Ga., was reported to be sending here, for FBI laboratory analysis, the evidence they and FBI agents were able to gather up after last Sunday's bomb-wrecking of the Hebrew Benevolent Congregation's temple there.

A substantial force of outside FBI agents are on the scene at Peoria, Ill., where a crudely made bomb early Tuesday damaged Temple Anshai-Emeth.

Halfway Mark Passed By Chest

The Gettysburg Community Chest campaign fund went over the halfway mark today, the eighth day since the house-to-house canvass was begun. At noon the total stood at \$14,296.32, which Campaign Chairman William A. Lentz calculated is 53 per cent of the \$26,800 goal.

Gifts and pledges from 183 donors added \$2,405.57 to the Chest total overnight. Among recent checks to the fund was one from Mrs. Dwight D. Eisenhower, who has been an annual contributor to the Red Cross appeal here. The Red Cross is a member of the Chest this year.

Chest campaign headquarters said today's total compares with \$8,060 at the end of the first week of the drive last year.

GIRL SCOUTS PLAN DRIVE AT ANNUAL DINNER

Final instructions for the county-wide Adams County Girl Scouts Finance campaign were given Tuesday evening at a dinner meeting of 125 leaders at the Keefeauver Elementary School.

The session was held in connection with a regular Adams County Girl Scout Council meeting at which the group made preliminary plans to divide the county into four areas to cope with the rapid expansion of the Girl Scout program in the county.

Mrs. Clark Smith, acting finance chairman, told the group to seek to complete their door-to-door canvass throughout the county, other than Gettysburg, within a week.

Seek \$7,147.50
"We hope to raise \$7,147.50 through the county to provide for Girl Scout services during the coming year. Of this amount \$3,000 is being raised through the Gettysburg Community Chest in Gettysburg. Our job is to raise the remainder in the other communities," Mrs. Smith said.

"It is amazing now a big Girl Scout organization such as ours does so much for so little. It is almost safe to say that there is not a family in Adams County that has not in some way benefited by the Girl Scout services, and the entire program can be carried on for a little over a dime a week for each girl member," Mrs. Charles Jones, executive director of the Chambersburg Girl Scout Council, told of establishment of "neighborhood areas" in the Chambersburg district. Ashkhabad is in a predominantly Moslem part of the Soviet Union.

PRESBYTERIAN PLANS STUDIED BY COMMITTEE

The Building and Renovation committee of the Gettysburg Presbyterian Church received from Architect Henley S. Eden of Harrisburg Tuesday evening drawings for proposed changes in the church building that would increase the seating capacity by 76.

All of the plans include restoration of a balcony at the west end of the interior of the church to seat 60 persons, removal of the present vestibule at the front of the church and replacing it with a larger narthex or vestibule with several proposals for changes in the entrance arrangements.

Mr. Eden included in his proposals several types of towers for the front or west end of the church. Excavation of the area under the church building to provide additional space for the Church School or other church uses also was included in the drawings submitted by the architect for consideration.

Chairman Oren H. Wilson presided at the meeting which was attended by 12 members of the committee and the pastor, the Rev. Robert A. MacAskill. The committee will meet again in a month and will make a report to the congregation at its annual meeting in January.

Plans for repointing the exterior of the century-old building already have been approved by the congregation but the work has been delayed pending development of plans by the renovation committee. The congregation last January directed that ways be studied to provide more space for the crowded Church School.

Ike Declares "Hoodlums" Responsible For Bombings

By MARVIN L. ARROWSMITH
WASHINGTON (AP)—President Eisenhower today angrily characterized those responsible for bombings of places of worship as hoodlums of the Al Capone and Babyface Nelson type.

At a news conference the President spoke out vigorously against the dynamiting of Jewish temples in Atlanta, Ga., and Peoria, Ill. He did so after a reporter told him that some of those responsible apparently have been privately identifying themselves as members of a "Confederate underground."

Addressing himself to that description, Eisenhower said that from babyhood he has been taught to respect the Southern Confederacy of Civil War days.

Then he said that for hoodlums to describe themselves as any part of the Confederacy is a complete insult.

President is Angry
They should be described, he added angrily, as Al Capones and

Deanery Council To Meet Sunday

The quarterly open meeting of the Conewago Deanery Council of Catholic Women will be held at 2 p.m. Sunday at St. Vincent de Paul parish hall, Hanover, the Rev. Joseph G. Gotwalt, pastor, and Mrs. George Weaver, president of the hostess parish council. The program will concern family and parent education with Mrs. Otto Matzelle, deanery chairman, of Chambersburg, in charge.

Mrs. Edwin J. Killalea, deanery president, Gettysburg, who recently attended the national council convention in St. Louis, Mo., will give a brief report on the proceedings. The hostess council will arrange special entertainment.

The deanery comprises all of the parishes of Adams County, those in Hanover, Chambersburg, Blue Ridge Summit, Shippensburg and Waynesboro.

TRAVEL GROUP OPENS ANNUAL MEMBER DRIVE

The Gettysburg Travel Council today began its annual membership campaign with Secretary Carl Schutt starting visitations to the 131 members of the group.

This year's drive marks the first time the campaign for \$15,000 has been held in the fall, with the group voting at a meeting Tuesday evening at the VFW home to conduct the drive "now so we will be able to carry on promotion projects during the winter months in preparation for next year's season."

The Travel Council voted to purchase new Gettysburg folders for distribution throughout the world. Reports at the meeting showed only 250 folders available for distribution now.

40,683 Visitors
The folders used previously had been purchased by the Chamber of Commerce and Travel Council, but President Walter B. Lane explained that under the new organizational set-up of the Chamber of Commerce, Travel Council and Retail Merchants, the items relating directly to travel promotion — such as folders — will be chargeable to the Travel Council completely.

A total of 40,683 persons visited the Travel Council information office from May through September, the report of the activities of the office showed. The report showed the Travel Council office sent out 9,438 folders in the last four months. President Lane told the group: "The number sent out could have been much larger, but we were running short of folders and where we had requests for 100 we would send 25 or less in order to spread out the supply."

October 22 was set as the date for closing the Travel Council information office for the winter months. The report showed 608 visitors so far this month.

Commissioners Discuss Plans For Selling Farm Equipment And Livestock At Public Sale

Adams County's oldest farmer — the county itself — today was considering preliminary plans for a going-out-of-farming sale.

Auctioneers Clair Slaybaugh and Edwin Benner appeared before the commissioners at their meeting in the court house this morning to give their recommendations to the commissioners concerning the proposed sale.

They had been asked by the commissioners to look over the county home farm and "see what you think."

The auctioneers had some recommendations. They think the sale should be about December 18 when most of the 11 cows will have come fresh or be close springers. They explained that that way the county will be probably able to realize the best price from the cattle.

Livestock And Equipment
Similarly "the pigs will be pretty good shoats by then" and should bring a better price.

A sale in the middle of December will also permit larger numbers of farmers to attend. "There won't be much else for them to do by that time. Now they're busy on the farm."

The commissioners told the auctioneers that everything in the farming line on the century and a half old farm will be up for sale—the tractor, rakes, harrows, sprayers, chains, stanchions, milkers, even the smallest items of farming equipment.

There is a good possibility also that some of the smaller farm buildings will be for sale to those willing to buy for the lumber and remove the structure. There was doubt that the barn would be sold because all doubted whether anyone would want to buy a large barn to remove it.

To Consult Attorney
While the preliminary plans were discussed today for a going-out-of-farming sale, the commissioners noted they plan to contact their attorney to determine whether court approval is needed. If it is, then the final plans may have to be delayed.

Other business before the commissioners this morning included the appointment of Eugene Weishaar, Gettysburg R. 5, and Luther Lady, Biglerville R. D., as the official tellers for the count of the November general election votes.

On Social Security
The commissioners also had a few words to say concerning news stories in nearby papers and intimations that the county will have to lay out large sums plus interest to put assessors, tax collectors, possibly even election officials on Social Security back to 1951. The group was agreed: "We're willing to go along with anything when we know what's wanted. But so far we have had no direct communication from any Social Security (Continued On Page 2)

OPEN NEW ROAD 3 P.M. THURSDAY

The new section of U.S. Highway 15 between Dillsburg and Harrisburg will be opened to traffic at 3 o'clock Thursday afternoon.

Secretary of Highways Lewis Stevens will cut the first ribbon at the road entrance near the Holiday motel. The ceremonies will be brief.

William E. Miller, president of the Harrisburg Motor Club, is chairman of the road-opening exercises.

After Stevens speaks and cuts the ribbon the group will move six miles south where the second ribbon-cutting will take place. Again Stevens will speak briefly. The Dillsburg Junior Chamber of Commerce and Lions Club will participate in the program.

Jet Pilot Dies In Forced Bailout; 2 Rescuers Killed When 'Copter Blows Up

HONOLULU (AP) — Two Air Force jet fighter planes ran low on fuel over the Pacific Tuesday and the pilot of one died when he bailed out 90 miles northeast of here.

Two Marine helicopter crewmen were killed when their chopper blew up in the rescue operation. Six supersonic, swept-wing F101 Voodoos were ferrying to Honolulu from McClellan AFB, Calif., where a spokesman said they had refueled Tuesday morning after a hop from Langley AFB, Va. One of them radioed he was running out of fuel.

A KC50 tanker and two rescue planes were sent out. Due to air turbulence, the Air Force said, connections could not be made for the aerial refueling and the pilot ejected in what appeared to be a normal bail-out.

But he was found dead, floating in his inflated life jacket, by one of two Marine helicopters on the rescue mission.

It deposited his body on the destroyer Forrest Sherman along with the crewmen who had been lowered by cable to pick him up. As the chopper pulled away, it blew up, presumably killing its two remaining crewmen.

Names of the dead were withheld pending notification of next of kin.

Forced To Ditch
The second helicopter was forced to ditch near the destroyer when it ran out of fuel after an unsuccessful attempt to land on the destroyer. Its three crewmen, all rescued, are 1st Lt. James Prather, 28, of Dallas, Tex., pilot; Lt. Frank Ball, 21, of Mount Shasta, Calif., copilot; and T. Sgt. Robert Stemper, 31, of Canton, Ohio, crew chief.

pumped much money into the area.

Helped Other Parks

"Shenandoah park has the 102-mile skyline drive along the Blue Ridge Mountains.

"Great Smoky Mountain Park, in North Carolina and Tennessee, is another park where Rockefeller stepped in to purchase land. Fortunately, this man with his fortune could help preserve our lands before it was too late. The Everglades in Florida has become one of the newest attractions.

"Mount McKinley Park is the farthest north; Hawaii, the farthest west and the Virgin Island Park, farthest East.

"The best known military site is Independence Historical Park in Philadelphia. Independence Hall is important as we watch our children walk up that bell and then realize the importance of the Declaration of Independence. We can't forget Yorktown, where we became the United States of America."

Gettysburg Best Known

"For Civil War Parks, Gettysburg is the greatest known and best marked in the world. In the summer it is almost out of place to see a Pennsylvania tag on the battlefield, where people have come to see the climax for an unbelievable war where two armies of the same blood fought. It is fortunate they picked Gettysburg as a place to fight because this area is so beautiful.

"Virginia also has military parks that include, Manassas, where I worked for eight years, Fredericksburg and Petersburg, and so on."

In telling about Mission 66, Myers said, "When World War II ended, all the National Parks were on a standby basis. Then the United States, to the surprise of many, went into great prosperity which meant people could travel income improved and paid vacations were increasing. By 1947 22 million persons visited the parks; in 1948, 49 million persons were reported as visiting the parks and in 1955, President Eisenhower had the director of the Park Service prepare a story on the deterioration of National Parks.

Improve Local Park

"Since more people were able to get around to the parks, the accommodations were very limited and a need for expansion and remodeling was evident.

"Mission 66 began in 1956 and will be completed in 1966, the 50th anniversary of the National Parks. But for Gettysburg the completion date is 1963, the 100th anniversary of the Battle of Gettysburg. Work done in this area will include: all battlefield roads will be put in first class condition; a new bridge spanning the railroad tracks on Reynolds Ave. is being constructed and is due to open around November 1; provide a beautiful setting for the Cyclorama. It will be located in Ziegler's Grove with suitable parking facilities."

Local Vandalism

Myers said his most discouraging problem here is vandalism. He told of an incident on Oak Ridge two weeks ago when, sometime after midnight, a bronze replica of a rifle was stolen from the 90th Pennsylvania Volunteers monument. The metal knapsack was pried off which was the only way to get the rifle. Myers asked why a campaign against vandalism couldn't be started like the national campaign against tossing litter along the highways. Myers was introduced by Vice President Philip Neth, chairman of the program committee.

President Donald Joseph appointed the following committee to construct a float for the local Halloween parade: C. Robert Ziegler, chairman; Clyde Bream, Alex Christman, Millard Doyle, Crosby Hartzell and Richard Hartley.

officials stating that we must do anything. In addition we want to know how we can be penalized on something that we were informed was a voluntary matter.

"So far the only word we have had was from one Social Security official who, when we asked him about it, suggested, off the cuff, that it might be an idea to start Social Security for tax collectors, assessors, etc., as of the beginning of the year. We checked and there isn't another county in the state that has the assessors, tax collectors, etc., on Social Security."

"We want to, and will do the right thing, but we would like to know more about what's wanted."

WASHINGTON (AP)—President Eisenhower will make a major political campaign speech in Pittsburgh on October 27.

Announcing this today, White House Press Secretary James C. Hagerty said details on just where Eisenhower will speak and at what hour have not been worked out.

INDICATED IN YORK

Arthur S. Beamer, of Gettysburg, was indicted by a grand jury in York County court Monday on a charge of assault and battery. His was one of nine cases in which the jury returned true bills. About 100 additional bills are being considered by the 20-member panel.

Ike Declares

(Continued From Page 1) he added, without any direct comment on the Nixon statement, that he does subscribe to the idea that foreign policy should be kept out of partisan debate.

He said further that the country's long term interests are better served if that sort of thing is not indulged in.

On a related matter dealing with this country's position regarding defense of Quemoy, Eisenhower said he does not desire any intelligent criticism of any particular point. But when it comes to policy, he said, that has been standing on its own feet for a long time.

POLITICS—Eisenhower backed away from an Oct. 6 statement by Republican leaders saying the clear alternative to election of a Republican-controlled Congress is nationalization and socialization of American industry under the Democrats.

Asked whether he subscribed to that statement, Eisenhower replied he had read the full statement before it was made public and does not remember that exact language.

Not His Statement The President said his recollection is that the statement said the country could be led to the left and such a course could lead eventually to socialism.

Eisenhower added crisply that in any event the statement about nationalization and socialization of industry was not his. With a trace of a smile, he said politicians do like to make things positive.

CAMPAIGN TRIP—As for the six-day campaign tour to the Midwest and Pacific Coast he will start Friday, Eisenhower said the itinerary has been arranged so that he can, through regional television and radio, reach the greatest number of people possible in those areas. He made that statement when asked why he is going into such states as Iowa, Kansas, Colorado and Illinois where there are no U.S. Senate races, and is passing up Minnesota and Wisconsin where there are such races.

PHILADELPHIA (AP)—A \$126,500 settlement was accepted Tuesday by the widow and two children of a man killed in the crash of a Trans World Airlines Inc. plane, April 1, 1956. It was an out of court settlement.

Nan L. Fox, Allentown, Pa., had filed suit against the airline of U.S. District Court on behalf of herself and daughters.

Mrs. Fox's husband, Alex B., was one of 22 killed in the crash on takeoff at the Greater Pittsburgh Airport. Fourteen others survived.

NEW YORK (AP)—Inventory rebuilding is giving the steel market an added push, Iron Age Magazine said today.

The national metalworking week said more steel buyers have begun to rebuild their stocks in view of gathering strength of the market. These buyers are hedging against a possible supply pinch later in the year, the magazine said.

TAIPEI, Formosa (AP)—The Chinese Nationalists appear more and more likely to pull a sizable number of their troops out of Quemoy.

Competent sources in Taipei said Nationalist leaders were resigned to accepting the U.S. proposal that new weapons with greater firepower replace some of the manpower of the offshore island's garrison.

BEATEN MAN DIES MONDAY

John Merritt Fisher, 41, former Hanoverian who was found beaten in the basement of an apartment house in which he resided in Washington, D. C., last Wednesday, died Monday evening at 7:15 o'clock at Washington Medical center.

Death resulted from brain injury received in the beating. Fisher, who for the last 18 years was a Washington correspondent for the Chicago Tribune, was the son of Mrs. Erma G. Naill, Hanover, and the late Harpe W. Fisher, of near Littlestown.

Fisher was attacked when he went to the basement of the apartment building to locate some stored materials. He was set upon and beaten by an intruder who had hidden in the basement. When found in an unconscious condition, Fisher's watch and wallet were missing. He was rushed to the hospital where he later underwent surgery.

Up until Tuesday night, Washington authorities had not uncovered any clue as to identity of his assailant.

In addition to his mother, he is survived by his wife, Marie N. Fisher; a brother, Col. Gordon Force, stationed at the Pentagon; three sisters, Mrs. Eugene A. Spangler, York; Mrs. Robert Phinney, Everett, Wash., and Mrs. Freeland Baughman, Stanton, Del.

The body was removed to the Joseph Gawler and Son Funeral Home, 17th St. and Pennsylvania Ave., Washington, where the funeral will be conducted at 2:15 p.m. Thursday. Burial will be in Arlington National Cemetery.

The deceased was a veteran of World War II and served as a staff sergeant in the intelligence agency. He was connected with the Army for approximately three years and served in the European theater during the war.

Bethlehem Steel Sued For Million

PHILADELPHIA (AP)—A Canonsburg, Pa., man has filed suit for one million dollars against the Bethlehem Steel Co. for injuries sustained in a fall.

Officials said John Rotella's suit, filed Tuesday, represents the highest amount ever sought for personal damages in the U.S. District Court here.

The 38-year-old Washington County man claimed he severed his spinal cord suffering permanent injuries which left him bedridden. He said he fell 35 feet when a scaffolding broke on a building in Pottstown last Oct. 6.

PLAN FIELD DAY

The Pennsylvania Turkey Growers Association will hold a field day of the Turkey Random Sample Test at the Roy Heckenluber farm October 21 at 1:30 p.m. The Bureau of Markets representative will explain the results. Dr. Edward Buss, from Pennsylvania State University, will discuss turkey research and an extension specialist will be present to answer questions.

SEEKS DIVORCE

Mrs. Ruth C. (McCurley) Unger, Gettysburg R. 4, is seeking a divorce from John R. Unger, also of Gettysburg R. 4, according to papers filed with the prothonotary's office this morning for Mrs. Unger by Atty. Donald M. Swope. The couple was wed in December, 1953, in Idaho. Indignities since February 20, 1955, and desertion since April 16, 1956, are alleged.

TREATED AT HOSPITAL

A piece of glass was removed from the right hand of Paul Durbin, 40, Littlestown R. 2, at the Warner Hospital Tuesday. The glass became imbedded while Durbin was working for the Blue Ridge Oil Co.

Eugene Prague, 35, Thurmont R. 2, received treatment Tuesday for a sprain of the left ankle suffered when he stepped off steps.

PHILADELPHIA (AP)—A \$126,500 settlement was accepted Tuesday by the widow and two children of a man killed in the crash of a Trans World Airlines Inc. plane, April 1, 1956. It was an out of court settlement.

Nan L. Fox, Allentown, Pa., had filed suit against the airline of U.S. District Court on behalf of herself and daughters.

Mrs. Fox's husband, Alex B., was one of 22 killed in the crash on takeoff at the Greater Pittsburgh Airport. Fourteen others survived.

NEW YORK (AP)—Inventory rebuilding is giving the steel market an added push, Iron Age Magazine said today.

The national metalworking week said more steel buyers have begun to rebuild their stocks in view of gathering strength of the market. These buyers are hedging against a possible supply pinch later in the year, the magazine said.

TAIPEI, Formosa (AP)—The Chinese Nationalists appear more and more likely to pull a sizable number of their troops out of Quemoy.

Competent sources in Taipei said Nationalist leaders were resigned to accepting the U.S. proposal that new weapons with greater firepower replace some of the manpower of the offshore island's garrison.

BIGLER COUNCIL HOLDS MEETING

The Biglerville borough council was presented a plan for collection of garbage in the borough as an alternative available should the present collection system be terminated. Robert Miller, New Oxford, appeared before the council and stated that he has the necessary state permit and land fill facility to accommodate borough residents.

The council took no action at its meeting Tuesday night on the matter pending the outcome of garbage disposal discussions current in the Gettysburg area.

The Property committee reported that a new fire hydrant has been placed along Ridge St. and that work is progressing in the repainting and repairing of traffic signs. Completion of maintenance work on several borough streets was reported by the Highway committee. Receipts were \$14.50 from building permits and \$313 taxes. Bills amounting to \$1,062.22 were approved and ordered paid.

Present at the meeting were Council President Dale R. Guise, Burgess John E. Thomas, Councilmen F. W. Weigle, Melvin L. Ditzler, William F. Lerew and George Eckenrode and Earl E. Ecker, borough secretary.

Miss Lois Shaffer, Gardners, was the guest of honor at a surprise birthday party given by her parents, Mr. and Mrs. Paul Shaffer, Saturday evening at the Aspers fire hall. Miss Shaffer celebrated her 16th birthday.

The hall was decorated with blue and white crepe paper, and a birthday cake centered the refreshment table. Those present were Mr. and Mrs. James Trump and Lester Trump, Dillsburg, Mr. and Mrs. Ray Finck, Mr. and Mrs. Fred Finck, Mr. and Mrs. Donald Bower, Jack Frantz, Randy Snyder, Ted Orner, Pamela Wolff, Gary Wagner, Larry Eckenrode, Vicki Taylor, Connie Stoner, Mary Lou Finck, Betty Finck, Phyllis Cashman, Margie Miller, Bonnie Haskell, Richard Hartzel, Jane Trostel, Judy Weigle, Pauline Blackwell, Ruthie Zeigler, Sheri Shaffer, Emma Shaffer, Ann Kuykendall, Jean Dugan, Sandra Taylor, Nancy Jane Hibner, Dean Trump, Leon Trump and Brenda Trump. The evening was spent playing games and dancing.

Mr. and Mrs. Robert Strine and daughters, Elaine and LeAnne, Aspers, visited Sunday with Mr. and Mrs. Eddie Ryman and family, Woodstock, Va.

The South Mountain Homemakers Group will hold an organizational meeting Thursday afternoon at 1:30 o'clock in the social room of the Arendtsville Bank. Ladies of the community are invited to join this group.

Guests over the weekend at the home of Mr. and Mrs. Jacob Lawver, Biglerville, were their daughter, Miss Edna Lawver, York, and their son and daughter-in-law, Mr. and Mrs. Edward Lawver, and daughter, Denise, Chalfont.

Mr. and Mrs. Ray Slaybaugh left Monday for their home at Colorado Springs, Colo., after spending a week with Mr. Slaybaugh's mother, Mrs. D. S. Slaybaugh, Biglerville, and other relatives in the community.

Miss Lola Ann Hildebrand returned to Philadelphia Tuesday after spending several days with her mother, Mrs. Mildred Hildebrand, Biglerville.

The Methodist Youth Fellowship of the Wenksville Methodist Church will hold a bake sale in front of Bucher's Restaurant, Bendersville, Saturday morning beginning at 10 o'clock.

Littlestown PAUL HARNER SPEAKER FOR ROTARY CLUB

Paul A. Harner, instructor of instrumental music in the Littlestown Joint School System, was the guest speaker at the weekly dinner meeting of the local Rotary Club Tuesday evening at Schottie's Hotel. Mr. Harner addressed the Rotarians on the subject "The Progress of Music in the Local School," telling of the organization of the first band in September, 1934, with 22 members; there are now 64 students in the blue band, 80 in the gold band and 80 members in the grade school band. Mr. Harner is a member of the American Band Master's Association, which is composed of 140 band directors in the United States and Canada, and is president of the Adams County Band Master's Association.

The program also included an accordion quartet selection by Sharon Topper, Joan Cool, Priscilla Cool and Dawn Tasto, students from West Manheim Twp.; vocal solo, LaRue O. Epler, instrumental music instructor in the jointure; cornet solo, Hugh Roberts, a member of the blue band. The latter two were accompanied on the piano by Miss Donna Rabenstein, a Tenth grader. The evening's program was arranged by the music committee. Paul R. Snyder, chairman, presided.

Nevah A. Crouse introduced the visiting Rotarians, Paul Kepple, Westminster, and the Rev. Dr. Nevin E. Smith, pastor of Emmanuel United Church of Christ, who offered the invocation prior to the meal. President Frank E. Basehor announced that the local club stood sixth in the district in attendance last month, with an average of 94.8.

Ladies' Night will be observed at the meeting next Tuesday, 6:15 p.m., in the social hall of Redeemer's United Church of Christ. The program will be in charge of the international service committee, composed of A. G. Ealy, chairman; Lloyd E. Crouse, Edward T. Richardson Sr., Dr. Joseph R. Riden, C. Bernard Stuller and Theron W. Spangler.

Surprise Shower
A surprise stork shower was held on Monday evening in honor of Mrs. Ivan E. Arentz, Littlestown R. 2, at the home of Mrs. Thomas L. Cookson Jr., along the Littlestown-Hanover Rd. A pink and green color scheme was carried out in the decorations, which included fall flowers. Gifts were opened and displayed by Mrs. Arentz. Refreshments were served to the following by Mrs. Cookson: the guest of honor, Mrs. Arentz, her daughters, Erma and Mary Jane Arentz and Mrs. Russell Abbott; her daughters-in-law; Mrs. Clair Arentz, Mrs. LeRoy Arentz, Mrs. Donald Arentz and Mrs. Vernon Arentz; her mother, Mrs. Roy A. Sterner; her mother-in-law, Mrs. John Arentz Sr.; Mrs. Stanley R. Sell, Mrs. Clyde W. Crouse, Mrs. James Strevig, Mrs. Thomas L. Cookson Sr., Miss Audrey DeHaven and Miss Glenna Place, all of in or near town; Mrs. Wilmer Barnes, Taneytown; Mrs. Charles A. Grove, New Chester; Mrs. John Arentz Jr., Mrs. Clyde L. Sterner, Mrs. Glenn W. Sterner and Mrs. Francis Arentz, of Hanover R. 1; Mrs. Merle Bittle, Hanover R. 4, and Mrs. Theron Dayhoff, Gettysburg R. 5.

A stork shower was held at the Cookson home on Friday evening in honor of Mrs. Clyde Crouse, and in listing the account in the paper, the names of three guests were unintentionally omitted: Mrs. Fannie Runkles, Miss Audrey DeHaven and Mrs. William T. Gingrow, of town.

Mrs. Minnie Miller and daughter, Lou Etta, W. King St.; Mr. and Mrs. Luther Hess Sr., near town, and Miss Ida Basehor, Philadelphia, visited on Sunday with Mrs. Miller's son and daughter-in-law, Mr. and Mrs. Harvey Miller Jr., and son, Harvey III, Clarksburg, Md.

Slightly Injured When Autos Crash

Victoria Straley, 9, Littlestown, suffered slight bruises and a nose injury while riding in an automobile which was involved in an accident in Hanover about 9:45 p.m. Monday.

Hanover police said Mrs. Edna M. Straley, 30, of 325 Lumber Street, Littlestown, who was operating a car south on Carlisle Street, had pulled up behind a vehicle driven by Malcolm E. Erb, 39, Hanover, which had halted at the signal light at West Chestnut Street.

Mrs. Straley, while engaged in conversation with her passenger, Victoria, began to drive forward, believing that the light had changed and her car crashed into the rear of the Erb vehicle, police reported.

Damage was estimated by police at \$75 to the vehicle operated by Erb and \$175 to the Straley automobile.

TO SPEAK TONIGHT
Keekok Liew, Chinese teacher, who has been studying in the U.S., will speak tonight at 8 o'clock in the Taneytown Evangelical United Brethren Church. The public is invited.

"GREATEST THRILL"

It's a thrill to be beside you . . . when the evening lights are low . . . being near you is a treasure . . . that can drive away life's woe . . . it's a thrill to touch your hand, dear . . . and to feel your angel kiss . . . for your velvet lips enchant me . . . with a magic of bliss . . . it's a thrill to dream together . . . making plans on things to be . . . your tender understanding way . . . means oh, so much to me . . . it's a thrill to share your laughter . . . and to make your heart feel gay . . . yes, I'm privileged to be able . . . to help see you through dismay . . . many are the joys of living . . . each has power to fulfill . . . but just to have and hold you . . . is indeed by greatest thrill.

GIRL SCOUTERS

(Continued From Page 1)

She said that when neighborhood areas are established each neighborhood has a "service team" made up of a chairman, troop organizer and troop consultant, who aid the units within the "neighborhood" and represent them as board members on the county council. The need for such a neighborhood setup has been brought about by the rapidly expanding number of Girl Scout units and the physical impossibility of providing such aid direct from the county office because of the increase in units in each area, she said.

Plan New Setup

The president, Mrs. Ross Schwartz, said the divisions planned are: Neighborhood No. 1, Gettysburg; Neighborhood No. 2, Fairfield, Cashtown, Arendtsville, Bendersville, Biglerville and York Springs; Neighborhood No. 3, East Berlin, Hampton, New Chester, New Oxford and Conewago Chapel; Neighborhood No. 4, Littlestown and Bonneauville.

"Geographically and according to the number of troops in each area, this seemed to be the best setup," she said.

Get Funds For Camp

Mrs. Gordon Webster, camping committee chairman, announced that Brownie Troop 27 of Biglerville has donated \$25 and Intermediate Troop 31 of Bendersville has donated \$50 toward the Campsite Improvement Fund. Bendersville's unit had also made a donation last year, she said, and as a result a shelter at the camp will be named for the troop.

Mrs. Hardy Nichols, council assistant, announced the annual sale of Girl Scout calendars will

Install Ridinger As Chef De Gare

Harry D. Ridinger was installed as chef de gare of the local voiturage of the Forty and Eight at a ceremony held Friday in the unit's chateau in the South Mountains. The installation was conducted by George K. Browne, York, grand cheminot of Pennsylvania, and his correspondent, Bernard Naftal, also of York.

Grand Cheminot Passe Herman Fowler, Mechanicsburg, also was here for the event with his staff. Other officers included: Chef de train, Ralph R. Ruggles, Littlestown; commissaire intendante, Roy A. Alexander; correspondent, Robert W. Fox; commissaire voyageur, Dorsey Rebert; conducteur, John Warner; garde de la porte, Vincent Florence; medicin, Paul Fox, and aumonier, Cletus Smith.

begin November 1. Mrs. Carroll Arter, Littlestown reported on training, Miss Mary Peters, York Springs, reported on leadership training she had received at Camp Edith Macy, Pleasantville, N. Y.

Mrs. Robert Kleppinger and Mrs. Galen Mohler, Fairfield; Mrs. Robert Thompson, Bendersville; Mrs. Charles Ritter, Littlestown, and Mrs. Gordon Webster and Mrs. Hardy Nichols of Gettysburg were introduced as the members of the council council who will attend a regional conference November 10, 11 and 12 at Washington, D. C.

Leaders Introduced

Mrs. Donald Fair gave the grace opening the dinner session. Mrs. Schwartz introduced officials including Mrs. Jones, Mrs. Elinor Porterfield, president of the Chambersburg area council; Mrs. William Neely, first vice president of the Adams County council; Mrs. Charles Ritter, second vice president; Mrs. Ross White, secretary; Miss Mildred Moser, treasurer; Mrs. Smith, public relations chairman; Mrs. Webster, camping chairman; Mrs. Emory Raffensperger, staff and office chairman; Mrs. William Lentz, program chairman; Mrs. Robert Thompson, membership-nominating chairman; Mrs. Edward Zinn, co-chairman of public relations; Mrs. Arter, training; Mrs. Fair, and Miss Peters, volunteer trainers, and Mrs. Nichols, council assistant.

She thanked members of Senior Troop 34 of Littlestown for making the favors and Mrs. Lentz, Mrs. Smith, Miss Peters and Mrs. Arthur Phiel for the table arrangements. Group singing was led by Mrs. Fair. Mrs. Lentz was in charge of recognition of the various leaders and thanked them for their "loyalty, time and effort."

The program concluded with "Girl Scouts Together" and "Taps."

TRAVEL GROUP

(Continued From Page 1)

ist interests and Chambers of Commerce along Route 15 join in promoting use of Route 15 as the shortest and most scenic and historic route through the U. S. from north to south. A letter from the Virginia group, read by Thomas Metz asking the Gettysburg group to join, held that competing routes are "already promoting themselves as the desirable route and as a result are claiming many people who could more advantageously use Route 15."

Members of the council also urged that the local group in addition seek to urge use of Route 30 as well.

Will Elect In November

The nominating committee presented this slate of officers for the coming year: President, Walter B. Lane; first vice president, William Ayre; second vice president, Mrs. Harvey Warner; secretary, Carl Schutt; treasurer, Lloyd Hartman, holding that the present board of officers should have another year to complete their projects. The report was signed by Nicholas A. Meligakes as chairman of the nominating committee. At the November meeting nominations from the floor will be sought and the election held.

Raymond Davis was asked to serve as a committee to determine the possibility that Gettysburg College, Mt. St. Mary's College and St. Joseph College consider the possibility of scheduling major activities on different weekends. Members held that frequently the various institutions hold "big events" on the same dates, and as a result local facilities for the visitors to the events are overcrowded.

William G. Weaver reported progress on plans to establish an outdoor drama here.

to 12 noon November 8. Mrs. Henderson reported the Sisters from the Emmitsburg Catholic High School and students will visit the home Friday and provide treats for the guests. She reported that St. Joseph College, Gettysburg College and Seminary students continue to make regular weekly visits. The Church of the Brethren of East Berlin was reported as having sung carols and provided bananas and cookies for the guests.

Mrs. Nevin Frantz presented 75 jars of jellies and jams provided by the Arendtsville United Church of Christ. Mrs. John Epley presented a box of assorted ribbons.

Sean O'Casey, the noted Irish playwright, was once a railroad track laborer.

Girl Scout News

Intermediate Girl Scout Troop 33, of Fairfield, met Monday evening at 6:30 o'clock at the scout house.

The Tiger Lily Patrol worked on the troop cookbook. The fly-ups, in charge of Mrs. Frank Kuykendall with the help of two scouts from the Adventurers' Patrol, worked on second class badge work. The For-Get-Me-Not Patrol spent their time working toward the magic carpet badge and how to cover handbooks. They also planned a trip to the Adams County Library, Gettysburg.

The Adventure Patrol made plans to correspond with Scouts abroad. Tentative plans were made by this patrol for an overnight camping outing in November and for a hike on Saturday. Following the patrol meetings, the troop joined in a discussion of sprayed wild flower and weed arrangements, the materials for which were gathered on the troop hike on Saturday. The meeting closed with the Friendship Circle.

Leaders of Troop 33 are Mrs. Vaughn Dagenhart, Mrs. Robert Kleppinger, Mrs. Galen Mohler and Mrs. Frank Kuykendall.

Girl Scout Troop 21 met Monday at the home of their leader, Mrs. Marian Shears, and elected the following officers: Marie Hoover, president; Mary Beth Hughes, vice president; Nancy Mallow, secretary; Margaret Ditchburn, treasurer; Sally McCullough, historian, and Bonnie Keefe and Mary Giberson, recreation committee.

Money making projects were discussed. The troop will take part in the Girl Scout calendar sales to begin in the near future. A service project for the troop will be baby sitting for the Meade PTA next Thursday, October 23. Leaders in charge were Mrs. Shears and senior leader, Miss Deborah McCullough.

TWENTY-FIVE YEARS AGO

County Wheat Control Board Is Organized: Organization of a permanent Adams county wheat and a county wheat allotment committee was effected as a meeting of community chairmen and directors at the court house, Saturday.

H. F. Snyder, Littlestown R. 4, was elected president of the wheat production control, committee. Other officers are: D. R. Sloops, Iron Springs R. 1, vice president; W. Clayton Jester, Biglerville R. D., secretary, and John W. Black, Gettysburg R. 5, treasurer.

On the county wheat allotment committee are Mr. Snyder, C. N. Clark, New Oxford R. 1 and S. R. Kohler, New Oxford R. 2.

Local Women Get State Pests: Six young Gettysburg women this morning began their duties in the bureau of motor vehicle registration, state department of revenue, Harrisburg. Their work will be in connection with the issuance of the 1934 automobile license plates and is expected to last until next February.

In the local group are the Misses Edith Wachter, Sara Snyder, Mary Bushman, Rebecca Zeigler, Anna Deardorff and Lucille Thomas.

McConaghie Will Supervise Three More Properties: Superintendent James R. McConaghie of the Gettysburg national park has been appointed superintendent of the Antietam battlefield, the Antietam national cemetery and Fort Mifflin, Pa., according to an official announcement from Arno Cammerer, director of the national park services in the department of the interior.

Mr. McConaghie also supervises the Gettysburg national cemetery, the Monocacy battlefield, near Frederick, Md., and Fort Mifflin, at Baltimore.

Local Hospital On "Approved" List 14th Time: For the fourth consecutive year the Annie M. Warner hospital has met all the rigid requirements of the American College of Surgeons and has been placed on the approved list, according to an announcement from the Chicago headquarters of the association today.

The local hospital was placed on the approved list by the American College of Surgeons the first year it was opened, 1930, and has always exceeded the highest standard of the College of Surgeons.

Ministers Oppose Sports On Sunday: The Adams county ministerial association went on record as opposed to legalizing Sunday sports and endorsed the work of the county committee working against the repeal of the 18th amendment at a luncheon business meeting held Monday noon at The Tavern.

A paper, "The Motion Picture—Asset or Liability," was read by the Rev. Frederick B. Crane, pastor of the Gettysburg Presbytherian church.

The Rev. Ludwig C. Mortensen was elected secretary of the association to succeed the Rev. W. M. Beattie who resigned because of his removal from Gettysburg.

4 Town Homes Quarantined: Three Gettysburg children have contracted diphtheria and one has scarlet fever, according to Erie Deardorff, health officer.

Janet Zerling, 8-year-old daughter of Mr. and Mrs. George Zerling, Hanover street; Charles Karas, 9-year-old son of Mr. and Mrs. Alex Karas, North Stratton street, and Mary McMillan, 9-year-old daughter of Mrs. William McMillan, Breckenridge street, have been quarantined with diphtheria.

Eleanore Steunor, 4-year-old daughter of Mr. and Mrs. Frank Steunor, Breckenridge street, is quarantined with scarlet fever.

Mrs. James Donaldson, of near Orttanna, is ill with typhoid fever.

Today's Talk

WHO NEEDS YOU?

To write and then to have people appreciate it is to be a success. There are not enough people in the world to give encouragement to those who desperately need it. We all need it!

We all need someone to talk to, to confide in, and someone who can look deep into our heart and see much of himself there. Human beings are quite alike, regardless of their color, religion, or nationality. I have met them all and I have loved them all. How good are we? That's worth thinking about.

What a wonderful discovery to make, to learn that a new friend actually needed us! And what a privilege to serve that one! I keep getting kindly and helpful letters. How honored I am, for people sometimes hesitate about writing to a stranger. But I have always felt that with a friend, even though unseen or unvisited, it doesn't matter. Most of my friends I have never seen!

Many years ago I visited a reader of these Talks, at her request, while in a hospital at Tulsa, Oklahoma. It made me so happy to have served in a small way to make another happy, and perhaps to give renewed courage in her fight for health. I couldn't compare such happiness to anything else.

My good friend Robert Updegraff once sent me a little book entitled "Try Giving Yourself Away." By thus doing you can't long remain unhappy or deserted. Somebody needs us in this big world. Perhaps at this moment a stranger and an unknown, but a friend possibility. Why not invest along the way? Be an explorer of friends! You may discover yourself in one of these. What a thrill that would be!

Just Folks

WORK

Our tasks proclaim our inward souls

Far more than words and spoken creeds;

Unreached may be our fairest goals,

But greatness lies in all our deeds.

The work we do our worth proclaims

Far more than spoken praise can tell;

Indifferent toil the laborer shames,

But good is he who buildeth well.

The idler, though his speech be fair,

Is but an idler glib of tongue;

By work alone can man declare

The faith to which his soul has clung.

Our tasks express us as we are;

Men judge us by the things we do;

Good work proclaims the man afar,

In bad work men our weakness view.

Forth from our hands must come our creeds;

In substance must our lives be spun.

We are no better than our deeds,

No greater than the tasks we've done.

Who labors daily at his best,

Who does good work from day to day

Has all his dreams of joy expressed

And kept the faith, let come what may.

Business Recovery Brings Pleasing Flush To Firms

By SAM DAWSON

AP Business News Analyst
NEW YORK (AP)—The recovery is bringing a pleasing flush to many business firms today. It's the touch of color they love—rising profits.

And the Wall Street bulls can point with pride too at this measure of justification of their bidding up of stock prices.

Earnings for the July, August and September quarter, now starting to flood in, show many corporations doing better than they did in the first part of the year. A sizable number also report doing better this year than last.

Reviving sales cut much of the credit. But cost cutting is playing a large part too.

Set Profits Record
General Electric, for example, reports its third-quarter profits set a record for the period, and were 6 per cent higher than in the July-September period of last year, although sales still trailed last year by about 4 per cent.

Giant American Telephone & Telegraph shows a nice profit gain over last year. Most utilities, in fact, are expected to report more profits than a year ago, reflecting the steady increase in household use of light and power offsetting any drop in industrial use.

Increasing numbers of corporations are predicting that the pick-up in the third quarter will be accelerated in the fourth, bringing the total for 1958 up with or perhaps ahead of 1957.

Huge Profits
The Department of Commerce put the first-quarter profits at an annual rate of 15 1/2 billion dollars. The better picture now leads it to estimate the total for the year will be about 18 billion.

Many textile firms, for example, are looking up. Among those showing a better third quarter this year than last (based on fiscal rather than calendar years) are J. P. Stevens, Wyandotte Worsted, Indian Head Mills and American Enka.

Minneapolis - Moline reports a strikingly better quarter this year than last, and Caterpillar tractor is well ahead, while Deere and J. I. Case report results for the first nine months top the 1957 period nicely.

Other Gains
Beatrice Foods reports a better third months this year. So do Safeway and Federated Department Stores.

Hooker Chemical and American Marietta are running ahead of last year, as is Celotex.

There are laggards, of course, companies that haven't yet turned the profits corner. But the general picture is much better than it was the first of the year.

Littlestown MRS. ROGERS SELECTED AS 'SUB' TEACHER

The Joint Board of the Littlestown Joint School System held its October session on Tuesday evening at which time Mrs. Dawn Rogers, Gettysburg, was elected substitute teacher in the Sixth grade of the Rolling Acres Elementary School. The Property and Supplies committee was authorized to purchase paper products from the lowest bidder of the three bids submitted.

Supervising Principal Paul E. King presented his report revealing that 21 days had been taught to date, as of October 1, and that the enrollment at that time was a total of 545 in the high school and 693 in the elementary school. A special assembly was held for the students on fire prevention. Clayton L. Evans and David Salburg, the latter a student at Gettysburg High School, are coaching the junior high football team.

A preparation for college night will be held for the seniors on October 28 at Gettysburg High School. A total of 24,293 meals were served in the cafeteria during the 20 days in operation.

Report From Nurse
Mrs. Brenda B. Walker, school nurse, reported listed a total of 14 home calls and 17 first aid treatments in school, five of which required further treatment in the physician's office, and three were given X-rays. Physical examinations were completed in grade eleven by Dr. Leonard L. Potter, who also examined 39 boys for junior varsity football. The general health of the pupils is good.

Treasurer Arthur Buehler reported total receipts of \$29,793.05 and expenditures during the month as follows: General control, \$114.01; instruction, \$22,111.57; auxiliary agencies, \$523.89; coordinate activities, \$464.40; operation of plants, \$1,973.61; maintenance of plants, \$1,522.33; fixed charges, \$298.42; total expended, \$27,005.23.

In attendance at the session Tuesday evening were Wilbur E. Mackley, president, who presided; Clement B. Hawn, Joseph Claybaugh, Joseph Orndorff, George W. Strevig, Wade H. Brown, Clayton Harget, Lewis C. V. Lippy, George Worley, John W. Schwartz, Glenn C. Bowers, Fred Hartlaub, Ray T. Harner, Richard A. Maitland, Lloyd E. Crouse, Arthur Buehler, Bernard Hess, Karl P. Bankert, Bernard W. Duttrier, Principal King and Secretary Henry E. Waltman. The board will meet again on November 11.

His publisher thought it would be a good idea if a novelization of "Midnight Sun" appears before the show gets to Broadway. As a result, production plans have been postponed until 1959-60 while Hayes gets busy at his typewriter.

Hershey Chocolate Co. Changes Unions

HERSHEY, Pa. (AP)—Hershey Chocolate Corp. workers have voted to change unions and establish the American Bakery and Confectionery Workers International (ABC) as their bargaining agent.

The National Labor Relations Board reported the employees cast 1,629 votes for the ABC union Tuesday to 427 votes for the Bakery and Confectionery Workers International (B & C), which has represented the chocolate workers here.

The board said that 2,296 of the 2,969 eligible employees voted. The other 242 workers favored neither union, the board said.

The ABC union will be certified as the bargaining agency for the chocolate workers, board representatives said, if no protest is made. They said the opposing union and the firm had five days in which to register any complaint.

NAB FIVE WITH STOLEN LIQUOR UNDER GIRDLES

PHILADELPHIA (AP)—Five cleaning women bottled up in the county prison overnight have another chance today to tell the judge about stolen liquor.

They are accused of taking bottled booze from their employer, Publicker Industries. They admitted it. A policeman found the half pints, full pints—even fifths stashed away ingeniously under their dresses.

Judge Leo Weinrott in Quarter Sessions Court heard their stories Tuesday and told them he didn't believe a word of it.

He ordered the women taken to the sheriff's cell room in City Hall and kept there until they decided to tell the truth, as he put it.

At the end of a busy day, the judge was asked what should be done with the women. "Bring them back Wednesday," he replied.

Bottles Under Girdles
A security officer from the distillery testified the whisky had been stolen over a six-month period. The judge said the women gave evasive answers about how long they had been stealing it.

The five were arrested Sept. 24 because their hips bulged. Bottles were tied, taped or pinned to girdles and other undergarments.

Mrs. Joseph Randazzo, 56, pleaded guilty to taking 16 pints; Mrs. Mary Colella, 54, five fifths and 18 pints; Mrs. Helen Balruskonis, 49, five fifths, 21 pints and three half-pints; Mrs. Jennie Piazza, 50, two fifths, 18 pints and one half-pint; and Mrs. Hennie Palermo, 48, 16 pints.

One of the women said they got caught the first time they tried taking out the liquor.

The judge commented: "Somebody must have helped you pin all that liquor under your clothes."

"I did it all myself," the same woman stated.

Some People Say Americans Wear Costliest Clothes, Drive Biggest Cars, Chew Gum

Bitter Communist propaganda colors the image of America for millions of persons behind the Iron and Bamboo Curtains. For many others, personal experiences with touring Americans also blench the picture. But these are only two of the many mirrors reflecting the picture of the United States. This third article in a four-part series deals with others. . . .

By SAUL PETT
AP Newsfeatures Writer

There is the mirror of personal values, habits and customs. In Uganda, East Africa, a store clerk has seen American skyscrapers and Cadillacs and swimming pools in the movies and is not impressed. He himself lives in a mud-walled shack with no plumbing. He is happy there with his two concubines and five children of doubtful parentage. The women seem happy, too.

"I would like Americans better if they thought more of each other and less of their possessions," says the clerk. "All white men are unhappy. Why don't they learn to run their own lives before trying to teach us how to run ours?"

Beat Their Women

"That's why they want to go rushing around the world quarreling and drinking — because their homes are unhappy. American men ought to beat their women more often."

The exalted position of Amer-

... What Thing Is America?

Said Willy Mattner to AP Berlin reporter Rolf Steinberg: "I think a lot of Americans because they took in all the people persecuted by Hitler. The Americans are good people."

ican women also confounds and amuses Ram Dulari and Mohammed el Fassy, who live on different continents.

Ram lives in a village of thatched houses near New Delhi, India. He farms a half acre and has several water buffalo to provide him with milk. He has seen two or three local communists and several Americans, technicians working on development programs.

The Communists?

"They are a nuisance," Ram says. "They are cranky and they shout slogans which amuse us. The Americans?"

"You can easily pick out the Americans from a crowd of white men. They have the costliest dresses and the biggest cars, and they chew gum. They are modern Kuberas (Hindu gods of unlimited wealth to whom other gods turned for help).

"The American men work with their hands. But why is it they

are slaves of their women? American women imagine they are angels descended from Heaven with their husbands as their slaves. American women come with their gloves on. Do they think their palms are lined with gold and diamonds?"

Likes Western Stars

Mohammed el Fassy is the garage mechanic in Rabat, Morocco, who respects Garry Cooper and other Western stars he has seen in the movies but finds other aspects of American life just a trifle ridiculous. He has observed American servicemen at a nearby base. Last spring he accompanied one GI family on a picnic.

"They had three children and the husband carried the baby all the time," Mohammed recalls disdainfully. "He even did the cooking on an oil stove and he washed the baby in the lake!"

In Mohammed's vocabulary, all that is bizarre, incomprehensible and unusual is "kif-kif amerrikia," which means, "like an American." Thus a man who shaves every day or wears a straw hat or carries a camera or a baby or anyone who runs in the street is "kif-kif amerrikia."

There are no customers quite like Americans, Mohammed finds. They come to him in his small garage for repairs on their vehicles.

"They know so much about motors. I just wait for them to tell me what's wrong, then I start to fix it. But often they take the tools out of my hand and fix it themselves. Still, they pay all the same. Amazing!"

And in Madrid, Spain, a bus conductor named Martin Garcia Tirado dismisses the United States of America with one broad sweep.

"I don't read English but judging by what people say of their literature, the Americans must be fairly immoral. Judging by their movies, I would call them ingenious and even childish. Judging by their policy in the world, I would say the world cannot hope to get its salvation from them."

JACK BENNY, DOESN'T WORRY ABOUT SHOWS

By CHARLES MERCER

NEW YORK (AP) — Jack Benny ordered some hot coffee sent up to his hotel suite the other day during a visit to New York.

"Please," he told room service, "make it so hot that you can't carry it." Hanging up the telephone, he said to a visitor, "To be honest about it, that line is stolen from George Burns."

"That reminds me of a story," said a friend of Benny. "There was this kid three, four years old who seemed perfectly normal in every way except that he wouldn't talk. His parents were worried sick about it. They did everything possible, but the kid wouldn't say a word."

Format Always Changing "Finally one morning when they served him his cocoa, he tasted it and yelled, 'Gee, that's too hot!' His parents burst into tears of joy, kissed him and asked, 'Why haven't you ever spoken before, dear?' The kid said, 'There hasn't been anything to complain about before.'"

Extraordinarily calm and unharassed in his twenty-sixth year of radio and television, you might say Benny has never sounded off a great deal because he doesn't feel he's had anything to complain about.

Week in and week out his Sunday CBS-TV show is the most visible half-hour comedy show on the air. He doesn't worry about "changing format" problems because the format of the show always is changing from week to week anyway.

Started As Joke

The first 10 years are the hardest, he feels. He used to work like a dog after he began his radio program in 1932, "scared every week that they'd fire me if it wasn't the best show ever." But

FOLLEY BATTLES BRITON TONIGHT

LONDON (AP) — Zora Folley, top American challenger to World Heavyweight Champion Floyd Patterson, meets Britain's Henry Cooper in a 10-rounder tonight.

The last two name heavyweights to come to Europe, Willie Pastrano and Eddie Machen, have gone home licking their wounds. Pastrano was beaten by Brian London of Britain. Machen was knocked out in one round by European champion Ingemar Johansson of Sweden.

Despite the curious visitor's jinx, Folley, from Chandler, Ariz., is heavily favored over the hard-hitting Cooper.

NICOSIA, Cyprus (AP) — A British military patrol killed a Greek Cypriot who failed to halt when challenged Monday night, authorities announced. The shooting occurred in Limnatis village near Limassol.

A bomb was thrown at a military patrol in Nicosia Tuesday but exploded harmlessly. Bombs thrown at a three-vehicle army convoy in the Larnaca district also failed to do any harm.

after nine years on television he doesn't worry any more.

Why did he start the happy myth that Benny is the most tight-fisted man in the world?

"It began as an accident on radio," he said. "I did a couple of jokes about being tight and it caught on. Apparently everybody has a skinflint in his family. I went on with it because people demanded it—I had to. It was like being carried along by an avalanche. And now it's a permanent fixture of me as an entertainer."

"Serves You Right" The waiter brought in coffee. Benny tipped him heavily. The waiter left with a shocked expression.

That waiter must have worn gloves to carry the coffee. Benny thought it barely warm enough, but his visitor scalded his tongue. "Serves you right for stealing jokes," Benny said mildly.

Now... all America sees the one that's truly new!

Like all '59 Chevrolets, the Impala Sport Sedan has Safety Plate Glass all around.

'59 CHEVROLET

It's shaped to the new American taste with a lean, clean silhouette, crisp new contours, beautifully restrained accents. It brings you more spaciousness and comfort with a new Body by Fisher. It has a bright new sheen—a new kind of finish that keeps its luster without waxing for up to three years. New bigger brakes. Vast new areas of visibility. New Hi-Thrift 6. New handling ease and road steadiness. It's new right down to the tires!

Never before has an automobile manufacturer made such sweeping changes two years in a row. And never before has any car been new like this one.

The 1959 Chevrolet is more than a restyled car—more, even, than a completely new car. It's *your* kind of car. Shaped to reward your new taste in style with a fresh Slimline design that brings entirely new poise and proportion to automobile styling. Inside the new and room-

ier Body by Fisher you'll find truly tasteful elegance. And you'll have clear seeing from every seat. The new Vista-Panoramic windshield curves overhead—and there are new bigger windows, too.

When you take the wheel, you find Chevy's newness goes down deep. A new steering ratio makes handling easier. New suspension engineering gives you a more stable ride. There's a sweet new edition of Turboglide*. A new Hi-Thrift 6 that

goes and goes on a gallon. Vim-packed V8's. New and bigger brakes. Even tougher, safer Tyrex cord tires.

There's still more! A new finish that keeps its shine without waxing or polishing for up to three years. New Impala models. New wagons—including one with a rear-facing rear seat. And, with all that's new, you'll find those fine Chevrolet virtues of economy and practicality. Stop in now and see the '59 Chevrolet.

FIRE TRAPS 150 IN WEST PHILA. APARTMENTS

PHILADELPHIA (AP)—Fire swept through a four-story apartment building in West Philadelphia Monday night, trapping about 150 tenants on the upper floors and felling 31 people with smoke inhalation.

More than 200 firemen battled the four-alarm blaze. The fire broke out in the boiler room of the Dorset Apartments, an H-shaped building, and spread quickly through the central section and the west wing.

At the height of the fire part of the roof collapsed.

No Serious Injuries

There were no serious injuries, but firemen had to raise ladders to rescue many tenants trapped on the upper floors by the heavy smoke. Many younger residents of the building disregarded their own safety to lead other tenants out.

Twenty-nine residents and two firemen were taken to nearby hospitals for treatment of smoke inhalation. Many more were given oxygen at the scene.

A blind man, Herbert Schultz, suffered a possible shoulder fracture when he fell while trying to escape. Later, he was led to safety by other tenants down a rear fire escape.

Smoke Reaches Hospital

Residents of the adjacent Admiral Court apartments also went to the street when smoke seeped into their building. The smoke reached the nearby Osteopathic Hospital, but patients were not disturbed.

Fire Chief George E. Hink said the blaze began in the boiler room and rose rapidly through vents and an airshaft in the rear corner of the building.

Most of the residents of the 72-unit building had to find other quarters for the night.

Firemen have not estimated the damage. Nor have they determined the cause of the blaze.

PASTOR DIES

PHILADELPHIA (AP) — The Rev. Thomas L. Clooney, 71, pastor of St. Athanasius Church since its founding 30 years ago, died Monday at Nazareth Hospital.

A native of South Bethlehem, Pa., he had served St. Patrick's parish at Pottsville, St. Michael's at Chester and several Philadelphia parishes. He was active in the Knights of Columbus and had served as its state chaplain.

TAIPEI, Formosa (AP) — Lin Yu-tang arrived in Taipei Tuesday on his first visit to Chinese soil in 14 years. The famous Chinese writer and his wife were mobbed by admirers at Taipei's Pine Hill Airport. They said they would stay in Formosa for about three weeks, then return to their home in New York.

IUE PRESSING FOR SECURITY

PITTSBURGH (AP)—International Union of Electrical Workers, representing some 35,000 Westinghouse Electric Corp. employees, pressed today for job security in negotiations with the firm.

Westinghouse said Monday it had proposed to four unions a broad security program for its workers that included savings, an improved pension plan and severance pay under certain conditions. The IUE rejected as "fantastically phony" the firm's proposed stock savings plan.

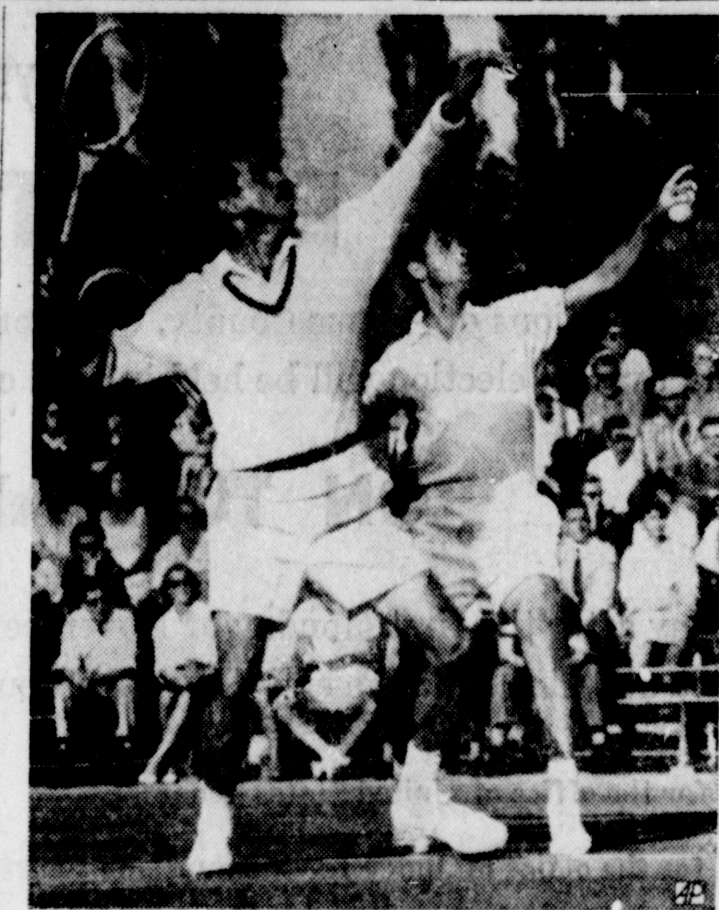

There was no word immediately from the three other unions. They are the Federation of Westinghouse Independent Salaried Unions, representing 14,800 workers; the Independent United Electrical Workers with a 9,000 membership; and the International Brotherhood of Electrical Workers 8,500 members.

The IUE Conference Board said the stock savings program would force wage cuts and loss of a substantial part of contractually guaranteed increases on the employees while the corporation reaped a substantial profit from the transaction.

Grave Dangers In Mother's Diet Seen

PITTSBURGH (AP)—A University of Pittsburgh professor says the restriction of a pregnant mother's diet to produce a smaller baby involves the gravest of dangers.

At a symposium sponsored by

the H. J. Heinz Co. Monday in connection with the opening of its new research center, Dr. Samuel M. Wishik, professor of maternal and child health, said:

"The belief that a smaller baby always means easier delivery or that a larger baby means less safe delivery is without foundation."

"Routine restriction of the pregnant mother to a severe diet can harm the baby."

NO PROGRESS AT YORK

YORK, Pa. (AP)—Federal Mediator G. Harry Young reported "no progress" after meetings attempting to negotiate a contract for 560 striking United Auto Workers at the Caterpillar plant here.

Young said he met jointly and separately with negotiators for the union and for management Monday with no success. He scheduled another meeting for today.

PILOT DIES AS HE LIVED

DAYTON, Ohio (AP)—Col. Daniel M. Umstead, 62, loved airplanes as much as the cigars he perpetually chewed. When he retired from the Air Force seven years ago, he bought a farm close to Wright-Patterson Air Force Base here to remain near them. Umstead was dean of Air Force test pilots when he retired. He had 13,000 flying hours in 350 different experimental models and had been flying almost 32 years.

So he was in the proper environment when he died Monday night.

He had been out on strike since Saturday.

Death — the cause was not revealed — came as he lay in the Air Force hospital on Wright-Patterson AFB.

He leaves his wife Edna; a son who is an Air Force jet pilot; and three daughters, one of whom is married to an Air Force man.

ACCRA, Ghana (AP)—A homemade bomb exploded Tuesday in the private chapel of the Roman Catholic Bishop of Kumasi. It was the fifth such attack on the chapel.

Bishop Andrew Van Den Bronk lives less than 10 yards from the point of explosion but was unhurt.

He blamed a group in Kumasi who think the post should be held by an African. Bishop Van Den Bronk is a Dutchman.

TV MELODRAMA NOT WORTHY OF GREAT CAST

By CHARLES MERCER
NEW YORK (AP)—For the first show of the new season Hallmark Hall of Fame went away Down East Monday night with "Johnny Belinda" (NBC-TV).

The melodrama was not worthy of the great talent of Julie Harris, who movingly portrayed a deaf mute farm girl on an isolated Maine island.

Strenuous acting by an able cast, the customary capable direction of George Schaefer, and Theodore Epstein's adaptation failed to disguise the fact that the play by Elmer Harris lacked a viable theme.

Crime Apology
The only discernible idea it offered a viewer was that one should be kind to the unfortunate—scarcely a thought to provoke reflection or discussion. Its action jogged along to the tune of one assault, one illegitimate birth, two murders and the final vindication of innocent virtue.

In the category of television it could be pegged as an Eastern rather than a Western. Had it been located in Wyoming rather than Maine, with cattle and six shooters for properties instead of loiter pots and a grist mill, its melodrama would have been obvious to everybody.

Two Fine Actors
Nevertheless, two fine actors, Miss Harris and Christopher Plummer, engaged the viewers' emotions and made several preposterous situations surprisingly credible.

Plummer brought dimension to the character of the doctor who taught Belinda the sign language and fell in love with her. Victor Jory raised the character of Belinda's father above the level of caricature that marked many of the supporting roles.

NEW JUSTICE TAKES OATH

WASHINGTON (AP)—Potter Stewart, a 43-year-old Ohioan, Tuesday became the Supreme Court's youngest member in dual oath-taking ceremonies.

For four years, he has been a judge of the U.S. 6th Circuit Court of Appeals in Cincinnati. With one exception, he is the youngest man in modern times to be appointed to the Supreme Court. Justice William O. Douglas was only 40 when President Franklin D. Roosevelt appointed him in 1939. Stewart fills the vacancy created by the retirement of Justice Harold H. Burton, 70, a fellow Ohioan.

With Stewart's appointment, President Eisenhower now has named five of the court's nine members. The others are Chief Justice Warren and Justices Brennan, Harlan and Whitaker. Justices Black, Frankfurter and Douglas were appointed by President Roosevelt, and Justice Clark by President Truman.

Abbottstown

Mrs. Della Butt
ABBOTTSTOWN — The Youth Club met Wednesday evening at Camp Ernie and made plans for the annual Halloween party which will be held this year on Wednesday, October 29, at 6:30 p.m. in the fire hall. All youngsters of the community are invited to participate. Prizes and refreshments will be offered.

The fire company, which met recently, has authorized the purchase of additional 2½-inch fire hose. The completion of the installation of the siren and controls was reported. There were no fires during the last month. The Lions Club met Thursday evening at the Hotel Altland and heard the report of its entertainment committee on the annual ladies' night banquet which will be held November 6. Reservations for the banquet must be made by the next meeting. Paul Breighner is in charge of the event. The date for the fathers and sons and daughters banquet was announced for next February 11 with plans to be made at later meetings. Eighteen members and a membership candidate were present.

The 500 Card Club met at the home of Mrs. Gustaf Ostrom. The Altar Guild of St. John's Lutheran Church met at the home of Mrs. Bernard Anthony on Tuesday with 12 members and the pastor, the Rev. Lester J. Karschner, present.

Oscar "Gibbs" Gruver was discharged from the York Hospital Saturday.

DETROIT (AP)—Police say William L. Miles picked a name from the telephone book at random, dialed and offered to sell the woman who answered a lucky number for \$10. Mrs. Nellie Baldwin told Miles to come on over and pick up his money. When Miles got to her house, she arrested him. Mrs. Baldwin is a policeman.

SANTA MONICA, Calif. (AP)—Actor John Payne, 46, was hospitalized with severe chest injuries when he slipped in the shower of his home. He will be in the hospital several days.

PUCKISH BIRD RILES SEDATE NEIGHBORHOOD

LONDON (AP) — The upper crust folk of Esher Park Avenue are demanding a legal muzzle for the Cockney cage bird that wolf whistles girls and sings like a drunken sailor.

The bird is an Indian mynah, one of the more articulate members of the starling family. It lives in a superheated aviary at one of the biggest houses on the respectable, three-lined avenue.

Its raucous repertoire—rendered largely in Cockney accents picked up from a friendly garbage man—sends outraged shudders through the sedate, suburban neighborhood.

Wolf whistling seems to bore the mynah fairly quickly. But then it launches into the song "All the Nice Girls Love a Sailor" in a voice like that of a matelot lurching from the grog shop.

Screaming Brakes
When this palls, the bird can give a passable imitation of suddenly screaming car brakes, throwing scares into many a passer-by.

The mynah's owner, John Luttmer, was summoned to court Monday, accused of keeping a pet that causes "a serious nuisance."

NO SIGNS OF YIELDING BY CHIANG & CO.

TAIPEI, Formosa (AP) — Indications mounted Tuesday that the United States will have a hard time getting Chiang Kai-shek to reduce his garrisons on the offshore islands.

The Nationalists reportedly will not consider any sizable withdrawal unless the United States gives unequivocal guarantees of immediate intervention if the Reds attack the weakened outposts.

The United States has not been willing to do this so far. Washington's idea reportedly is to give Chiang's forces more firepower and better weapons so they can defend the islands with less troops.

Urged By McElroy
This presumably was urged by U.S. Defense Secretary Neil McElroy in two conferences with the Nationalist President Monday.

But local newspapers including semi-official organs continued to denounce the idea of a cut in the offshore garrisons.

McElroy visited military installations in the Pescadores Islands today, between Formosa and the mainland, and then joined the U.S. 7th Fleet en route to Manila.

Nationalist officials continued to insist that the Communists would resume hostilities when it suits them. They contended that the Reds had extended their cease-fire for two weeks because they had lost the battle of Quemoy, and any reduction of the islands' garrisons would "convert a Communist military defeat into a political victory."

Both the Communists and Nationalists continued to strengthen their installations in the Quemoy area.

PILOT RAN HIGH TEMPERATURES HIGH IN SKY

ALAMOGORDO, N.M. (AP) — The young pilot who rode the Air Force Man High balloon to the stratosphere last week ran a high temperature for hours.

But a surgeon who supervised by remote control from the ground says Lt. Clifton McClure never became delirious and responded to directions properly all through the flight last Wednesday.

McClure, 25, sought to rise to 100,000 feet and stay there 24 hours to relay observations back to scientists on the ground. He reached 99,600 feet, but his sealed metal cockpit capsule overheated, and he had to return to earth 12 hours short of the time he aimed for.

Lt. Col. R. R. Hessberg, chief of the aeromedical field laboratory at the Air Force Missile Development Center, where the flight took place, said McClure's temperature, electronically recorded, registered 106 at its peak.

Hessberg emphasized that it was corrected to 104 after error in the electronic system was taken into consideration.

Lutheran Group Approves Merger

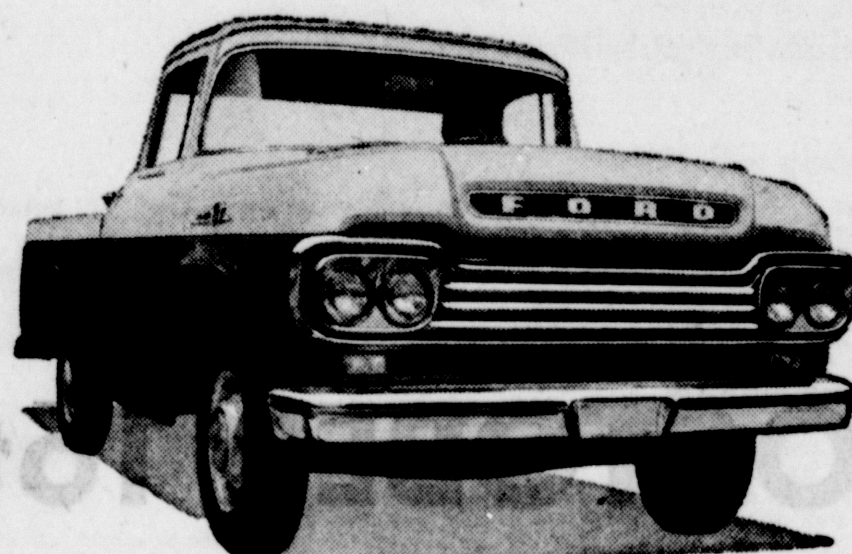

SAN ANTONIO, Tex. (AP) — The American Lutheran Church overwhelmingly approved final plans Monday for its merger with two other Lutheran bodies.

The proposed constitution, by-laws and articles of union were approved at the American Lutheran Church's 19th biennial convention.

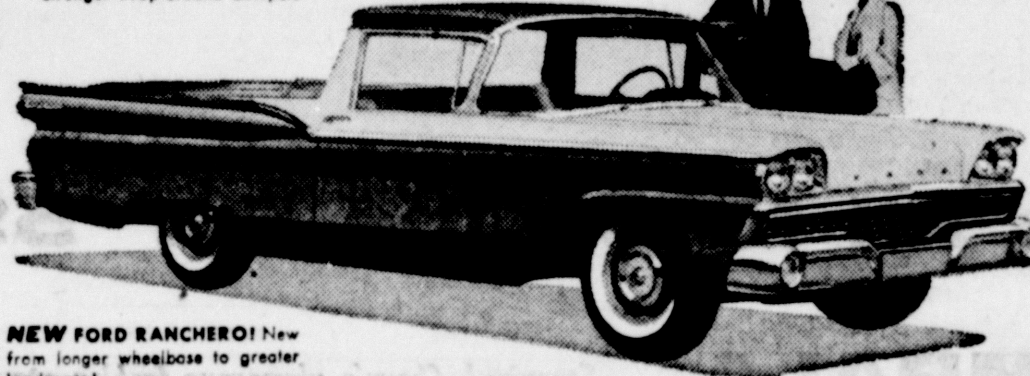

The merger is to take place in 1960 and 1961.

Involved are the 973,000 members of the American Lutheran Church, the million-member Evangelical Lutheran Church and the 65,000-member United Evangelical Lutheran Church. The three groups are of different national backgrounds.

70 HONORED FOR SERVICES IN SS WORK

GREENSBURG, Pa. (AP)—The 96th annual meeting of the Pennsylvania State Sabbath School Assn. Tuesday night presented medals to some 70 persons from 23 counties for long service in Sunday schools.

Among them was Mrs. Martha Jane Banks of Harrisburg, who has the longest service with 74 years. Each of the others has been a Sunday school teacher or leader 50 or more years.

A keynote address was delivered by W. Walter Braham, a retired Lawrence County judge.

He said that to witness the struggles of a great nation trying to live up its own principles, a Bible student need only to look to Little Rock, Ark.

Judge Braham said that more than 300 years ago the ancestors of the colored children who are the center of the integration dispute were stolen from their homes in Africa and brought here as slaves. He added:

"The presence of so many Negroes in our country creates many difficult problems. The white man brought all these problems in himself by his own arrogance, his own cruelty and his own greed."

MORE UNIONS BACK UP IUOE

PITTSBURGH (AP)—Two more unions have joined the International Union of Electrical Workers in voicing disapproval of Westinghouse Electric Corp.'s proposed employee security program.

Brawler Kayoes 2 Men, 2 Rounds

WEST JORDAN, Utah (AP)—Methodical Lamar Clark of Cedar City, Utah, dusted the canvas with two heavyweight opponents here Monday night in less time than it took him to put on his gloves.

Clark hopes the two first-round knockouts will win attention from boxing promoters and perhaps give him a main event this winter. The 181-pound brawler knocked out Ricky Smith, 181, Alameda, Calif., and Oscar Talley, 179, Oakland, Calif., in a total of 3 minutes, 27 seconds. He floored Smith twice in the first round before catching him with a looping right for a knockout in 2:32.

Taking only the customary time allowed between bouts, Clark then sent Talley crashing into the ropes with a flurry of lefts, and then hooked a left to the jaw that dropped the Californian for good in :55.

Gene Conley May Resume Cage Play

inghouse Independent Salaried Unions representing 14,800 employees.

The International Brotherhood Electrical Workers, with an 8,500 membership, was the only union not to make any comment on the company's proposal during current negotiations.

All four unions are free to strike at midnight tonight if no agreement is reached on job security issues. But none of the unions has made any strike threat.

Westinghouse said the security program includes a savings plan, an improved pension plan and severance pay under certain conditions.

BAKER'S BATTERY SERVICE

Baltimore Street

Gettysburg, Pa.

Gettysburg's National Guard unit in November will receive two new mobile howitzers similar to the one shown above.

First Lt. Donald E. Doersom, Gettysburg R. 1, commander, said the new 105 millimeter full tracked self-propelled howitzer M-52s will be received from the Letterkenny Ordnance Supply Depot, Chambersburg. He explained the new weapon carries a five-man crew in comparison to the seven-man crew on the present howitzers in possession of the local Guardsmen.

The new weapon is lightly armored, has sighting equipment, fire control, ammunition handling equipment and the 105 millimeter howitzer mount all within the turret and also has a 50-caliber machine gun mounted outside the turret on the commander's cupola. The six-cylinder air-cooled engine and the ammunition storage are located in the hull.

The weight of the vehicle and cargo is 53,125 pounds fully loaded. Lt. Doersom said that at Fort Knox, Ky., a demonstration team fired 30 rounds of ammunition in one minute from the new type weapon.

DISPUTE PA. VOTE OUTCOME IN NOVEMBER

By JOHN KOENIG JR.
Associated Press Special Service

WASHINGTON (AP)—Claims of an upsurge in Republican voting strength in Pennsylvania and around the nation in the closing weeks of the Nov. 4 election campaign were challenged today by Rep. Michael J. Kirwan (D-Ohio).

"There has been no change—they're kidding themselves," Kirwan, who serves as Democratic Congressional campaign chairman, told a newsman.

Unmistakable Trend
"In Pennsylvania there won't be a Democratic seat lost and we may pick up a half a dozen from

the Republicans."

The national trend toward the Democrats is unmistakable, Kirwan said, and it has not slackened. He said behind the trend to the Democrats is voter dissatisfaction with what he termed the "untruths" spread by the Eisenhower administration.

Kirwan disputed a prediction from Rep. Richard M. Simpson of Huntingdon, chairman of the GOP Congressional campaign committee, that Republicans may gain two Democratic seats in the 30-member Pennsylvania delegation. The Republican seats now being vacated by Rep. Hugh Scott in Philadelphia, and the 19th District now represented by Rep. S. Walter Stauffer of York will almost certainly go to the Democrats, Kirwan predicted.

He said that with the recession hitting Pennsylvania so hard "almost anything can happen" in a number of Republican-held Con-

LADIES WISH MORE DRAMA IN FRONT DOORS

WASHINGTON (AP)—The women told the builders front doors of America's homes are too commonplace. They want "more drama" in them.

The builders are listening intently to ideas tossed around by the 83 selected women attending a three-day housing conference sponsored by the National Assn. of Home Builders and the United Industry Committee.

The women said make the doors bigger. They said natural wood is good, but they thought some gay color might be even better and suggested red and maybe aqua as starters.

Should Reflect Taste
The front door should have something special to reflect the taste of the people inside and be unique, they said.

Conferring in the modernistic atmosphere of the National Housing Center here, the women hold 40-minute sessions. They give their own ideas and answer questions bothering the building industry. At the blast of a whistle they take a 10-minute break and then start again.

Every word they say is being taken down in shorthand so the builders can mull it over later.

Other Advice
They made it plain at Tuesday's opening go-round that they'd put as many bathrooms in their homes as they could afford.

They told the builders to take the medicine cabinet off the wall above the sink—where bottles can fall out and break, and put it somewhere else—with a lock to keep youngsters from getting into it. Over the sink in its place, they advised, a big mirror.

RECOVERY IS KEEPING GOING

WASHINGTON (AP)—Recovery from the recession slowed down a bit last month on two vital fronts—industrial production and housing. But the statistics showed continued improvement.

The output of factories and mines advanced one point last month on the Federal Reserve Board's seasonally adjusted index of industrial production.

This put the index at 137 per cent of the 1947-49 average in what the board described as the smallest monthly increase since production began rising from the recession low of 126 per cent in April.

The index figure for August originally was set at 137 also but the board said this was revised downward to 136. For August of last year the index hit a 1957 high of 145.

The board attributed part of the smallness of the September production increase to work stoppages and model changeovers in the automobile industry.

gressional districts.

At present, the GOP holds 17 seats compared to the Democrats' 12. There is one vacancy in a Democratic district.

In danger for the Republicans, Kerwin said, are the 22nd District, held by Rep. John R. Saylor; the 24th, by Rep. Carroll D. Kearns; and the 20th, by Rep. James E. Van Zandt.

Plan \$400,000, 22 Golf Tournaments

DUNEDIN, Fla. (AP)—The Professional Golfers' Assn. has announced a 22-tournament winter tour with prize money totaling near \$400,000.

PGA President Harold Sargent Monday announced a tentative schedule of 13 PGA co-sponsored tournaments and nine other events. The tour will begin with the Los Angeles Open Jan. 25 and will wind up with the Masters Tournament in Augusta, Ga., April 25.

The Bing Crosby National Amateur tourney offers the biggest total purse of \$50,000. It will be played in Del Monte, Calif., Jan. 15-18.

GREEN'S TRIAL SET FOR JAN. 6

LEWISBURG, Pa. (AP)—The conspiracy trial of U. S. Rep. William Green (D-Pa.) has been rescheduled and will begin Jan. 6 before U. S. District Court Judge Frederick V. Follmer.

Judge Follmer's office Monday confirmed a report that he would

RALLY DAY TO BE OBSERVED IN ABBOTTSTOWN

Rally Day will be observed in St. John's Lutheran Church School, Abbottstown, Sunday morning at 9:15 o'clock. Dr. Wilbur E. Tilberg, dean emeritus of Gettysburg College, will speak to the adult department. A program of pictures will be presented to the children. Dr. Tilberg will also speak briefly at the worship service as a representative of the Lutheran Synod concerning the "double apportionment" to the United Lutheran Church. Rev. L. J. Karschner, pastor, announced that the congregation has been able to remit the suggested quota for each month thus far.

A congregational meeting for the purpose of voting on the re-decoration of the church will be held at 10:30 a.m. Sunday morning. By constitutional limitation, only confirmed members, at least 21 years of age, are permitted to vote.

Special Service
In the worship service on October 26, a service of recognition

preside in the trial with this statement:

"Judge (John) Murphy having disqualified himself, Judge Follmer will assume charge of the Green case. The time and place of the trial has been set for 10 a.m. (EST), Tuesday, Jan. 6, 1959, at Lewisburg."

Green and six others were indicted on charges of conspiring to defraud the government in connection with the 1954 construction of the multimillion dollar Army Signal Corps Depot at Tobyhanna, Pa.

and installation will be held for all the leaders, teachers and assistants in the church school.

Forty members of the congregation recently visited a mission congregation and the synodical headquarters in Harrisburg, Susquehanna University, Selingsgrove, and Tressler Lutheran Home in Loysville.

An investiture service for the members and leaders of the newly formed Boy Scout Troop will be held in the church October 24 at 7:30 p.m.

Two programs, one for adults and one for the children, will be presented at "Family Night" on Saturday, October 25, at 7 o'clock. Rev. Dr. Paul L. Reaser, pastor of St. James Lutheran Church, will speak. Reports of committees will be given. The children will participate in games, songs and see religious motion pictures. Refreshments will be provided by a committee from the Ladies Aid Society.

Reformation Service
The congregation will participate in the county Reformation service to be held in the chapel of the Gettysburg Seminary at 8 o'clock on October 26.

James Zacharias, a junior at the seminary, has been assigned to the congregation as field worker this year. He is a member of St. Paul's Lutheran Church, Hanover. He will assist in the services, teach Church School classes, preach and accompany the pastor to meetings and on pastoral calls.

At a recent service of baptism, the following children received the sacrament: Tamra Jane Hoke, daughter of Mr. and Mrs. Herbert Hoke; Thomas Andrew Laughman, son of Mr. and Mrs. C. Edgar Laughman; Kathy Eileen Baker, daughter of Mr. and Mrs. Carman Baker; Gail Elaine Wagner, daughter of Mr. and Mrs. Clyde Wagner; and Dawn Elaine Ruth, daughter of Mr. and Mrs. Morgan Ruth.

DE GAULLE IS ASKING HONEST FREE ELECTION

PARIS (AP) — Premier de Gaulle is seeking to guarantee honest, impartial parliamentary elections in Algeria without interference by the French army.

De Gaulle ordered the army to stop playing politics in the rebellion-torn North African area. The army has supported European settlers who dominate political life there with their opposition to Algerian independence.

The Premier's order appeared aimed at thwarting hopes of European extremists of enlisting army help in the campaigning for the elections next month. The extremists were believed planning to put up pliable Moslems as candidates.

Need "Absolute Freedom"
In presenting a program to improve Algeria economically, De

Gaulle promised Oct. 3 that Algerian Moslems would get 45 of Algeria's 66 seats in the new French National Assembly. About 90 per cent of the Algerian population is Moslem.

The Premier said in a letter to Gen. Raoul Salan, French commander in Algeria, that the best interests of France demand an election with "absolute freedom and sincerity and that lists representative of all tendencies — I say all tendencies — be allowed concurrently and equally to solicit the suffrage of the electorate."

The worst danger, he added, "would be the formation of lists solely favored by the official authority."

In Sharp Contrast

The Premier's instructions were in sharp contrast to army conduct in the referendum last month on the constitution of the Fifth French Republic. The army barred all campaigning against the constitution while working successfully to turn out a large vote for it.

De Gaulle said no one could run for Parliament who was in the military, a civil servant, or had

Orrtanna

By Mrs. Luther Wetzel

ORRTANNA — The monthly meeting of Women's Missionary Society of the Mt. Carmel EUB Church was held in the church hall Monday evening with 33 persons present, 15 of whom were guests from the WSCS of the local Methodist Church. The program was arranged by Mrs. Clair Rebert and Mrs. George Rebert and Mrs. George Haines but due to the illness of Mrs. Haines, Mrs. Dale Wetzel served as substitute.

Mrs. C. G. Crist, the president, presided over the business meeting. Members and guests were welcomed by Mrs. Rebert and each guest introduced herself.

The program opened with a hymn. There was prayer by Mrs. Crist. The topic for the coming week was "This Great Day His Mighty Hand Has Led." Scripture was read by Mrs. Dale Wetzel followed by a hymn. Prayer was offered by Mrs. Rebert. Readings were given by Mrs. Ed Spence, Mrs. Paul Wetzel and Mrs. C. G. Crist followed by a duet by Mrs. Ira Naugle and Mrs. Robert Shindler. The program concluded with a reading in unison. Then there were discussions by the group after which the closing hymn, "Jesus Calls Us," was sung and the closing prayer was given by the pastor, Mrs. Clyde Metz was pianist. Refreshments were served and a social hour held. Fall flowers were used in the decorations.

Mr. and Mrs. C. A. Countryman, Fond Du Lac, Wis.; Mrs. Florence Richard and Mrs. Cleo Manahan, Winchester, Ind., were visitors last week with C. U. Spence. The above group are relatives of the late Emma Spence, wife of C. U. Spence.

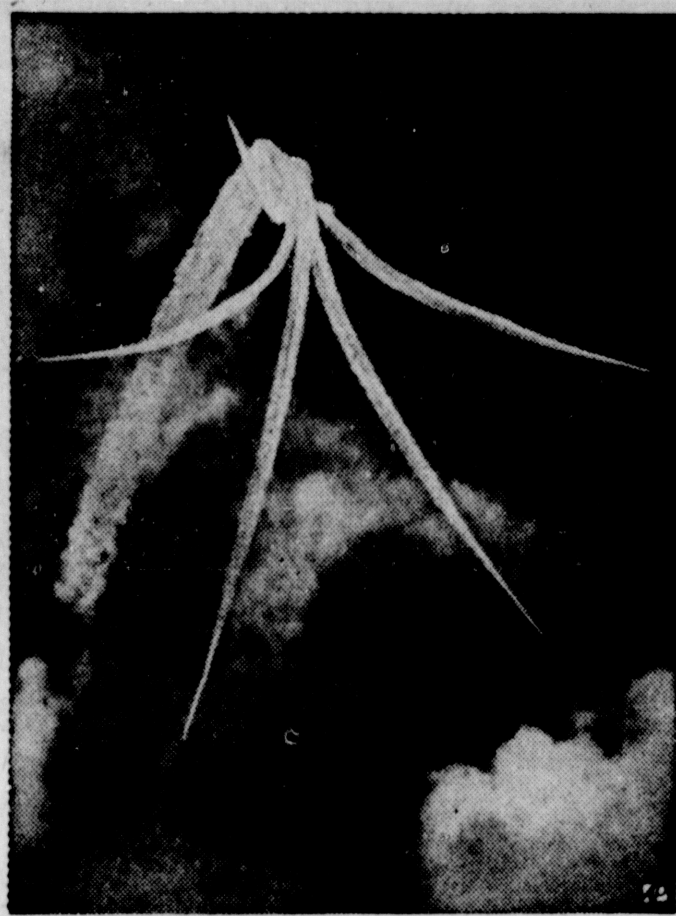

Saturday guests of the Tracy Wyatt family were Mr. and Mrs. Frank Staley, Wilkesboro, N. C., and Mr. and Mrs. Roy Mickey attended the funeral of Mr. Mickey's brother-in-law, Maurice Feezer, in Waynesboro on Sunday.

Mr. and Mrs. Kermit Wetzel and daughter, Candy, Solley, Md., and Mr. and Mrs. S. C. Hunley, Baltimore, visited Sunday with the former's parents, Mr. and Mrs. Luther Wetzel, enroute home from Lancaster where they visited friends.

Mrs. George Haines, who was admitted as a patient to the Waynesboro Hospital, is reported to be doing as well as can be expected. Mrs. Haines, who is suffering from asthma, was placed in an oxygen tent there.

Mrs. Haines will receive mail addressed to her at the Waynesboro Hospital, Waynesboro, Pa.

Mrs. C. G. Crist was hostess to the Women's Missionary Society for the monthly Bible study at her home in Gettysburg recently.

Predicts Man On Moon In 12 Years

CHICAGO (AP) — Man will be on the moon in 12 years, predicts Maj. Gen. John B. Medaris, Army missile chief.

Medaris, commanding general of the U.S. Army Missile Command in Huntsville, Ala., made the prediction at a news conference at the National Electronics Conference.

After calling the Air Force rocket-moon a spectacular success, Medaris said the Army is right on schedule with a moon shot of its own. He said chances are about 50-50 the Army moon shot will get into the area of the moon.

One of the world's first libraries is at the palace of Assurbanipal in Iraq. The library "books" are clay tablets, some dating back 2,600 years.

The Rev. Alfred Gotwalt was the leader and the topic was "The Christian And World Order." After the program, a social hour was held and refreshments were served.

WOULD REQUIRE POLIO SHOTS FOR PA. PUPILS

PHILADELPHIA (AP) — Polio shots would be required for all students entering any school in Pennsylvania under a proposal made to the Medical Society of Pennsylvania.

And bells and sirens would be eliminated from ambulances in the interest of highway safety under another proposal.

The resolutions were introduced at the society's 108th annual session Monday.

The Lehigh County Medical Society noted that mass inoculation of polio vaccine can never reach the citizenry as effectively as small pox vaccine under present conditions because the latter is a legislative requirement for entrance to schools.

Hits "Panic Type"
The proposal was referred to the society's new business committee.

The Centre County Medical Society, in its resolution on bells and sirens, stated:

"The panic type of operation of an ambulance is not only a traffic hazard but is also deleterious to the patient."

Montgomery County delegates asked the state society to reaffirm its support for establishment of county health departments. A move directed toward formation of such a department by the county Tuberculosis and Health Assn. has caused some controversy in the county.

Says Space Era Needs Financing

SACRAMENTO, Calif. (A) — The advent of missiles, rockets and space travel may require an entirely new means of financing besides money, the head of a California missile company said today.

Dan A. Kimball, president of Aerojet-General Corp., told the 38th annual conference of the California-Nevada-Hawaii District of Kiwanis International: "If a whole new world is being born—and that is just what is happening — it's going to cost a lot of money."

"It may be that some entirely new system besides money may have to be created to sustain and push ahead all these developments—just as money had to be invented when barter wasn't adequate for the growing exchange of goods and services many years ago."

Kimball was secretary of the Navy under President Truman.

S. African Blonde Is "Miss World"

LONDON (AP) — A willowy, 18-year-old honey blonde from South Africa with 35-23-36 measurements is Miss World of 1958.

The judges picked 5-foot-7 1/2 Penelope Anne Coelen from 20 contestants Monday night. She was a favorite all the way with

the crowd.
Along with the title Penny won 500 pounds (\$1,400), a beige sports car and contracts for personal appearances.

The American entry, Nancy Anne Corcoran, New York City, was among the 14 girls who didn't make the final round.

HALF MILLION EUB BUDGET IS DEBATED

By BOB HOLTON
HARRISBURG (AP)—A proposed half-million-dollar annual increase in the budget of the Evangelical United Brethren Church today was the center of debate among delegates to the denomination's General Conference.

A committee proposal made Tuesday would raise the annual budget for over-all expenses of operating the 650,000-member church from \$1,260,000 to \$1,750,000.

A conference spokesman said final action on the proposed increase would probably come late today.

Some of the 450 official delegates to the conference which closes Thursday argued against the proposed increase.

Considerable discussion also is expected on the issue of whether the EUB church leaders should authorize official steps be taken toward a future merger of the denomination with the Methodist Church.

A spokesman for the Methodist Church earlier called for the merger and urged that an official committee of the EUB be assigned to begin preliminary discussions on the suggested consolidation.

Bishop J. Gordon Howard of Pittsburgh gave some early indication of opposition which might be voiced to the proposed start of

Torres' Win Earns Match With Emery

NEW YORK (AP)—Undeclared Jose Torres' stepped up schedule will send the flashy, young middleweight prospect against seasoned Burke Emery of Canada in three weeks.

Shortly after Torres knocked out Frankie Anselmi in 2:12 of the ninth round Monday night, Manager Gus D'Amato agreed to match his 22-year-old protege with the Canadian here Nov. 1.

Emery, of Sherbrooke, Quebec, has a 25-6-2 record. Torres scored his seventh pro victory and his fifth kayo in disposing of the 26-year-old Anselmi.

merger negotiations.

"Perhaps in four or eight years this could come about but I don't think before that," the EUB leader said.

Need Decision

The EUB Commission on Unity proposed that a committee of church leaders either be given the green light to begin official merger discussions with Methodist leaders or the matter be dropped entirely for another four years.

"We have to have a decision on this matter now and either go ahead with talks on an official basis or halt them altogether for another four years," Bishop Howard said.

Spokesmen for the Churches of God in North America and the Church of the Brethren Tuesday welcomed meetings with EUB officials to "get to know each other better."

Seventeen naval officers from Thailand, Italy, Iran, Belgium, Denmark, Korea, Japan, Turkey, Canada, Spain, Germany, Greece, Formosa, Chile, Cuba and the Philippine Republic visited Gettysburg Monday. SENTENCED TO DIE FOR MURDER OF DAUGHTER, 9

By HUGH SCHUTTE

MACON, Ga. (A)—Plump, blonde Annette Donovan Lyles, convicted and sentenced to die for poisoning her daughter, awaited word from her attorneys today on chances for a new trial.

A Bibb County Superior Court jury convicted the 33-year-old widow of murder Monday night. Her attorneys immediately filed notice of appeal, and this automatically stayed the date of execution, which had been set for Dec. 5.

Mrs. Lyles is also accused by the state of poisoning two husbands and a mother-in-law with arsenic. She was tried only in the death of her 9-year-old daughter Marcia Elaine Lyles.

Accepts Verdict Calmly

The former restaurant owner accepted the death verdict calmly. The only visible reaction was when her alabaster skin reddened and she bit her lip.

Judge Oscar Long set a precedent when he told Mrs. Lyles she might remain seated while sentence was pronounced.

Long set a hearing on the motion for a new trial for Dec. 12.

If the buxom widow loses her appeal, she will be the first white woman to die in Georgia's electric chair. Only one woman, a Negro, has been electrocuted in this state.

"For Hate And Greed"

In an unsworn statement allowed under Georgia law, Mrs. Lyles made a blanket denial of all the state's charges and in the specific case under which she was being tried, that of Marcia, maintained there was no motive.

She said she received only \$1,750 from insurance while her expenses, including hospital bills, special nurses and burial, amounted to \$5,000.

The state charged she murdered for hate and greed.

She acknowledged an abnormal interest in "root doctors, spiritual advisers and fortune tellers."

WAYNESBURG, Pa. (AP)—Ar-

thar T. McGonigle, Republican candidate for governor, has proposed the establishment of a revolving area economic aid fund, financed through the sale of bonds.

He said it would help chronic unemployment areas of the state and would save 25 per cent of the cost of a federal program. He referred to the federal Area Redevelopment Bill, vetoed by President Eisenhower.

"I believe we must give immediate consideration to the creation of our own fund at the state, rather than the federal level. Such action will provide jobs in distressed areas at a better price," McGonigle said in a speech prepared for a rally at Waynesburg.

Meanwhile, it was disclosed in Philadelphia Monday President Eisenhower will visit Pennsylvania Oct. 27.

Wilbur Hamilton, Philadelphia GOP chairman, said "barring some unforeseen happening" the President will speak here or in Pittsburgh. He said the city would be chosen in the next few days.

Pennsylvania is considered one of the key and pivotal states in the Nov. 4 election. Vice President Nixon spoke in both Pittsburgh and Philadelphia last week.

PHILADELPHIA (AP)—Top Democratic leaders warned Monday night against ticket-splitting and complacency in the party's election campaign.

Pittsburgh Mayor David L. Lawrence, candidate for governor, dismissed as untrue reports that Gov. George Leader is running behind in his campaign for the U. S. Senate.

Congressman William J. Green, city Democratic chairman, urged the Philadelphia Democratic organization to work for a big vote for Lawrence and Leader.

Green said he would "know what to do" in wards where ticket-splitting was evident. He did not elaborate on this statement.

Green, Lawrence and Leader all warned against complacency regarding the outcome of the Nov. 4 election. They spoke at a dinner meeting of the Democratic City Committee, attended by nearly all of their city's Democratic candidates for the state Legislature and Congress.

Lawrence cited as examples of complacency the defeats of presidential candidates Thomas E. Dewey in 1948 and Charles Evans Hughes in 1916. He called for increased party activity at all levels.

LAS VEGAS, Nev. (AP)—The Atomic Energy Commission plans a blast from a 50-foot wooden tower and an underground shot Wednesday in its series of tests. A balloon shot is set for Thursday.

HOLLYWOOD (AP)—A fourth child was born Monday to singer Rosemary Clooney, wife of actor Jose Ferrer. Monsita Teresa arrived at St. John's Hospital weighing 6 pounds 4 ounces.

DISCERNING DEMOCRATS TO BE WOODED

By JACK BELL

WASHINGTON (AP)—President Eisenhower apparently is going out after support for Republican congressional candidates from independents and voters he calls discerning Democrats.

He hasn't defined exactly what a discerning Democrat is. But party leaders judge from what he has said recently that the President, in his forthcoming personal campaigning, plans some strong appeals to Democrats with conservative leanings.

With Eisenhower's approval the Republican National Committee has been pounding away on the theme that most of the Democrats running for Senate and House seats in the North and West are "left-wing radicals."

They were the first group of soldiers to leave Lebanon by ship. They arrived in the transport General Le Roy Eltinge. More than 700 soldiers previously had been air lifted from Lebanon to West

ARREST FIFTH MAN IN PROBE OF BOMBING

ATLANTA (AP)—Police believe they hold the key that will unlock the mystery of Southside bombings by a secret ring of anti-Jewish fanatics.

Officers investigating the dynamiting of The Temple arrested a fifth man and booked him on suspicion of bombing. The Temple was bombed early Sunday.

Capt. R. E. Little identified the man as Wallace H. Allen and said he was one of two men who helped plot the Atlanta bombing last May. The other man accused of taking part in the May meeting is George Michael Bright, 35. Both live in Atlanta.

Find Swastika

The break in the investigation stemmed from a statement by an unidentified man who said he and four others attended the meeting and planned the bombing.

Allen, a cripple, told arresting officers: "If it's the bombing you're interested in, I don't know anything about it. I've never even seen a stick of dynamite." Detectives said they found penciled drawings of a Nazi swastika and anti-Semitic literature in Allen's home.

Under arrest in addition to Al-

Germany.

The troops of the 24th Infantry Division were flown to Lebanon last July at the request of Camille Chamoun, then President. He feared a pro-Nasser coup.

len and Bright were Robert A. Bowling, 25; Luther King Corley, 26; and Kenneth Chester Griffin, 32, all of Atlanta.

Investigators said they believe that when the \$200,000 Atlanta blast is solved, it will clear up other synagogue bombings in Miami and Jacksonville, Fla.; Nashville, Tenn.; and an attempted dynamiting in Birmingham, Ala. All the bombings have occurred in the past eight months.

Rewards for the Atlanta dynamiters have climbed to \$15,000.

BUSINESS LETTER

HARRISBURG (AP)—The 81st annual convention of the Pennsylvania Savings and Loan League ended here today after the installation of new officers in the final business session of the three-day meeting.

John R. Bunting Jr., business economist of the Federal Reserve Bank of Philadelphia, told the group that business activity is on the upturn and will continue so through 1959.

LONDON (AP)—A wildcat strike at London Airport spread Tuesday to 4,000 engineers and maintenance men of British Overseas Airways Corp., halting the airline's services to all parts of the world.

Britain's new Comet jet, scheduled to make its next flight to New York Friday, will be affected if the strike is still on.

MOTHER SETON PTA TO SEEK NEW STREET

The PTA of Mother Seton School met Thursday evening in the school cafeteria. President Mark Lannon presided. The meeting was opened with a prayer led by Sister Francis, principal, and the pledge to the flag.

The secretary, Mrs. Albert Wivell, read the minutes of the previous meeting and the treasurer, Robert Koonitz, reported that there was no change in the financial balance since the last meeting.

Each person present at the meeting received a copy of the constitution and bylaws of the association. President Lannon announced that no changes had been made in the constitution but several were made in the bylaws.

The group voted to take a \$5 ad in the St. Joseph's High School year book.

Petition Prepared

A petition submitted by Lumen Norris, and read by Dr. Marshall, was presented to the group. Voters from the Emmits-

burg election area only were asked to sign this petition favoring the construction of a street to run from the Emmitsburg High School south to Mother Seton School. The petition will be presented to the town council at its next meeting.

Sister Francis thanked the mothers for the assistance they had rendered during the past month. She also explained the increase in book rental bills, stating that instead of charging the usual fee for extra supplies, as had been done in past years, the book bills had been raised \$1 to take care of these supplies. As soon as time permits advance menus will be made up and posted so that the children may know ahead of time what will be served at lunch.

It was announced that all girls attending the school must have their uniforms by October 15 and the white blouses must have Peter Pan collars. Any girl who Peter Pan collars may wear them until January.

Chairmen Named
The president announced the committee chairmen for the coming year as follows: Membership, Mrs. Roy Etheridge; program and entertainment, Sister Francis; ways and means, Robert Koonitz; publicity, Mrs. Albert Wivell; transportation, Curnel Kelly; athletic, Ray Felix, and refreshments, Mrs. Arthur Starnier.

After the business meeting, the Boy Scouts of Troop 284 present-

Tailor Making Three Robes Hoping One Will Fit Pope

By HANNS NEUERBOURG
ROME (AP) — "Nineteen years ago," said Bonaventura Gammarelli, "everybody knew who would be coming out of the conclave as the new pontiff. But now, things are different."

"In 1939, it just had to be either Cardinal Pacelli (chosen Pope Pius XII) or Cardinal Magliano. Today, there are many names."

The papal robes must be ready for their new wearer soon after his election. But Gammarelli, official purveyor to the apostolic seat, seemed hardly worried.

Prepares Three Robes
"I am preparing three sizes," he explained. "One ought to fit the new pontiff."

His chief cutter was brandishing a supersized pair of scissors and following a brown cardboard pattern placed on a large piece of white moire silk.

"This will be a pontifical cassock," Gammarelli explained. "It was on the same table that I tailored the robes for our late Pope in 1939."

The Gammarellis have been tailors for the princes of the church since 1798. Beside the wide shelves in his workshop, filled to capacity with bales of precious cloth and silk, hang pictures of various pontiffs, awarding a Gammarelli the title of official purveyor.

The robes will be placed in the

sacristy of the Sistine Chapel so the new pontiff can be dressed immediately.

"What size is the largest?" Gammarelli was asked. "Would it fit a man six feet tall?"

The tailor smiled diplomatically. "That I cannot tell you. Just in write there'll be three sizes."
